1. **Minutes**

The minutes of the meeting of the Council Tax Setting Panel held on 22 February 2019 were confirmed as a correct record and signed by the Chairman.

2. **Declarations of Interest**

Members were invited to declare any interests in the items of business to be considered during the course of the meeting but none was made.

3. **Council Tax 2020/21**

Consideration was given to a report that calculated and set out the Council Tax for 2020/21, having taken into account the precepts as notified from Devon County Council, Devon and Cornwall Police and Crime Commissioner, Devon and Somerset Fire and Rescue Authority, and the local Town and Parish Councils.

The Section 151 Officer introduced the agenda item and asked that the following amendment be made to Section 6 of the published report:

'Shire District Councils have the flexibility to set council tax increases of less than 2% or up to and including £5 for 2020/21, whichever is the greater.'

In discussion, reference was made to:-

- (a) comparisons with the 2019/20 Council Tax increases. The Panel noted that the combined increase for 2020/21 was 4.07% which was slightly less than the 5% increase that had been set for 2019/20;
- (b) a Communications Strategy. In making the point that, as the Billing Authority, the Council only received 9% of the total Council Tax it collected, Members felt that this fact should be publicised widely and frequently.

It was then:
