CTSP.1/16 **DECLARATIONS OF INTEREST**

Members were invited to declare any interests in the items of business to be considered during the course of the meeting but none was made.

CTSP.2/16 **DECLARATION OF THE COUNCIL TAX BASE AND INDIVIDUAL TAX BASES FOR TOWNS AND PARISHES: 2017/2018**

Consideration was given to a report that calculated and set out the Council Tax for 2017/18, having taken into account the precepts as notified from Devon County Council, Devon and Cornwall Police and Crime Commissioner, Devon and Somerset Fire and Rescue Authority, and the Town and Parish Councils.

Members considered the detail of the report and the COP Lead Finance brought the key elements to Members attention.

During discussion, Members raised concerns regarding the late notification from central Government of the final settlement. The COP Lead Finance agreed to write to the Secretary of State and local MPs setting out the concerns of Members and the impact on the budget setting process.

Members also discussed the continuing confusion regarding which authority delivered what service. This information had historically been presented in a leaflet delivered with the council tax bills. For the past couple of years, this information has been put online and a link to the Council's website is shown on the face of the council tax bill to direct residents to this page. This followed a change in the legislation from the Government which allowed all Councils to put this information online, rather than in a paper copy of a council tax leaflet.

Members noted the importance of the explanatory leaflet and asked if this could be reviewed in time for next year's billing (2018/19 council tax bills) as to whether the Council re-instated including a paper copy of the leaflet with the council tax bills.

It was then:

1. Summary

The Council Tax Setting Panel is required to approve the formal council tax resolutions in which the Council Tax will be set for each parish and town. Council considered the overall budget and 'net council tax requirement' at the meeting on the 20 February 2018. At that stage the level of Council Tax is effectively set for the Borough Council and all that remains is to formally add in the County, Police and Crime Commissioner, Fire Authority and Town and Parish precepts to arrive at the overall level of tax. The Local Government Finance Act 1992, Section 67(3) permits authorities to delegate this function.

Within West Devon Borough Council's Constitution, one of the Council Tax Setting Panel's responsibilities is to agree the Council Tax Resolution on behalf of the Council.

2. Background

- 2.1 The Localism Act 2011 has made significant changes to the Local Government Finance Act 1992, and now requires the billing authority to calculate a council tax requirement for the year, not a budget requirement as previously. West Devon Borough Council is a billing authority.
- 2.2 Precepts have been notified to us from the Parish and Town Councils, Devon County Council, Devon and Cornwall Police and Crime Commissioner and Devon and Somerset Fire and Rescue Authority. These are detailed below:

(i) Town & Parish Council

The Town & Parish Council Precepts for 2018/19 are detailed in Appendix C and total £1,364,802. The increase in the average Band D Council Tax for Town and Parish Councils is 5.26% and results in an average Band D Council Tax figure of £67.84 for 2018/19.

(ii) Devon County Council

Devon County Council met on 15th February 2018 and set their precept at £26,780,680.74, adjusted by a Collection Fund contribution of £433,000. This results in a Band D Council Tax of £1,331.19. This is an increase of £63.27 (See Section3) of which £25.32 relates to the Adult Social Care Precept.

(iii) Devon and Cornwall Police and Crime Commissioner

The Police and Crime Panel met on 2nd February 2018 and set their precept at £3,787,788.80, adjusted by a Collection Fund contribution of £60,000. This results in a Band D Council Tax of £188.28.

(iv) Devon and Somerset Fire and Rescue Authority

Devon & Somerset Fire and Rescue Service met on 16th February 2018 and set their precept at £1,690,101, adjusted by a Collection Fund contribution of £28,000. This results in a Band D Council Tax of £84.01.

3. Outcomes/outputs

The Council Tax Setting Panel are requested to approve the formal Council Tax Resolutions for the year 2018/2019 and the Council Tax for each of the parishes and towns within the Borough for the year 2018/2019.

The table below shows how an average Band D council bill is made up for West Devon Borough for 2018/19 as compared to the previous year.

^{*}This is an additional precept for authorities who have Adult Social Care responsibilities.

4. Options available and consideration of risk

The setting of the tax base has a significance far beyond the simple mathematics of the calculation and it forms an important component of the calculation of a robust budget and the medium term financial plan for both billing and precepting authorities. The council tax base has been calculated in accordance with Government legislation and associated guidance notes.

5. Proposed way forward

The Council Tax Setting Panel is required by law to approve the Council Tax taking into account the requirements of our major precepting bodies.

6. Implications

Implications	Relevant to proposals Y/N	Details and proposed measures to address
Financial	Y	The Council Tax Setting Panel is required to calculate and approve the Council Tax requirement for 2018/19. As the billing authority, the Council must determine whether the Council's basic amount of Council Tax for 2018/19 is excessive in accordance with principles approved under Section 52ZB Local Government Finance Act 1992. These principles are set by the Secretary of State each year. Shire District Councils have the flexibility to set council tax increases of less than 3% or up to & including £5 for 2018/19, whichever is the greater. In the case of West Devon Borough Council,
		the 2.99% increase will not trigger a council tax referendum.
Legal/Governance	Y	The Council Tax Setting Panel is required by law to approve the Council Tax taking into

		,
		account the requirements of our precepting bodies.
Risk	Y	Council Tax Requirement - failure to calculate the council tax requirement correctly would result in a budget surplus or deficit.
		Council Tax Setting - the Council has a statutory requirement to approve the formal council tax resolutions. The Authority could face a legal challenge if legislation is not fully complied with and the Council Tax is calculated incorrectly.
