## 1. Executive summary

- 1.1 The purpose of the Licensing Sub-Committee meeting is to determine an application for a new Premises Licence at **Bronsons, 76 (part of) West Street, Tavistock, PL19 8AJ** in accordance with Section 18 of the Licensing Act 2003.
- 1.2 The Licensing Authority received an application for a new Premises Licence for the above on 21<sup>st</sup> September 2017. The premises is currently a furniture shop. The intention is for half of the ground floor to be converted into a café/bar, while the rest of the property remains as a furniture shop. There will be a wall erected to separate the two areas and a separate entrance door for access to the licensed area. A copy of the application and plan is attached at **Appendix A**.

    - Christmas Eve & New Year's Eve 08:00 – 01:30.
- 1.4 During the consultation period, in liaison with the Police, the applicant has agreed to reduce the opening hours and the hours for licensable activities. Details of the changes agreed between the applicant and the Police can be found at **Appendix B**. The changes to the hours will mean that the premises will not stay open past midnight on Friday and Saturday, and closing time on Christmas

Eve and New Year's Eve has been amended to 01:00. The hours for the sale of alcohol have been reduced on all days so that the last sale is 30 minutes before closing time. The Police have confirmed that they are satisfied that these changes, in addition to the conditions proposed on the application, will address their concerns in relation to the prevention of crime and disorder.

## **2. Background**

- 2.1 The premises is located in the town centre of Tavistock, in an area containing both businesses and residential properties. A plan showing the location of the premises and photographs of the area can be found at **Appendix D**.
- 2.2 Nine relevant representations were received during the consultation period, four of which are in objection to the application and five of which are in support, copies of the representations are attached at **Appendix C**. Objections were received from persons living in close proximity to the premises and also from Environmental Health.
- 2.3 All of the representations in objection to the application relate to the 'Prevention of Public Nuisance' licensing objective with concerns raised about potential noise nuisance from music and from customers coming and going, leading to disruption for local residents. Also included are concerns about vibration from music which may pass to adjoining premises and the potential problems this may cause.
- 2.4 Environmental Health have raised concerns that due to listed building restrictions on the property, it may not be possible to adequately install the acoustic insulation required to prevent a public nuisance.
- 2.5 The Live Music Act 2012 and subsequent amendments, allow the provision of live and recorded amplified music at any premises licensed for the sale of alcohol for consumption on the premises between the hours of 08:00 and 23:00. There is no way to restrict these activities through the premises licence during these hours other than through the review process once a licence has been granted. Music played in the background (at a level where a conversation can be easily held) is never licensable.
- 2.6 Other concerns raised in the objections relate to the 'Prevention of Crime and Disorder' licensing objective. There is the perception that the use of the premises for licensable activities will lead to increased anti-social behaviour and crime in the area.
- 2.7 All of those who have made a representation in objection to the application have been made aware of the amendments to the hours agreed between the applicant and the Police. At the time of writing this report, none of the objectors were satisfied that these changes

addressed their concerns and were therefore unwilling to withdraw their objections.

- 2.8 If a premises licence were to be granted at this location, the applicant is aware that planning permission would be required before these activities may take place. A planning application for the premises has been received by West Devon Borough Council and is in the process of being determined.
- 2.9 As relevant representations in respect of this application have been received, which have not been withdrawn and mediation has not been possible, the Licensing Sub-Committee acting on behalf of the Licensing Authority must make a determination on this application. When coming to a decision, the Licensing Sub-Committee must give consideration to the Council's Statement of Licensing Policy (the Policy) and Home Office guidance issued under Section 182 Licensing Act 2003 (revised April 2017).
- 2.10 Section 3.1 of the Policy states: The Licensing Authority has a duty under the Act to carry out its licensing functions with a view to promoting the four licensing objectives. (These objectives are the only matters to be taken into account in determining the application and any conditions attached must be appropriate to achieve the licensing objectives).
- 2.11 The four licensing objectives are:
- The prevention of crime and disorder
  - Public safety
  - The prevention of public nuisance
  - The protection of children from harm
- 2.12 Section 3.2 of the Policy states: A licence (or club premises certificate) will only be granted where the Licensing Authority is satisfied that these objectives have been met.
- 2.13 Section 4.1 of the Policy sets out additional legislation, strategies, policies and guidance to which the Licensing Authority will have regard.
- 2.14 The Guidance issued under Section 182 of the Licensing Act 2003 which was revised and re-published in April 2017 state: The Licensing Authority may not impose conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives (paragraph 10.8 of the guidance).
- 2.15 The following responsible authorities are statutory consultees under the Licensing Act 2003:
- Devon and Cornwall Police
  - Devon and Somerset Fire and Rescue Service

- Devon Safeguarding Children's Board
- Devon County Council Trading Standards
- Devon Drug and Alcohol Action Team, NHS Devon
- West Devon Borough Council Planning Department
- West Devon Borough Council Environmental Health (Health & Safety)
- West Devon Borough Council Environmental Health (Pollution Control)

2.16 Out of the above responsible authorities, representations were received from the Police and amendments have been agreed with the applicant. Representations were also received from Environmental Health.

2.17 In addition to the above responsible authorities, any person may make a representation in relation to a premises licence application.

### **3. Outcomes/outputs**

3.1 When determining an application for a premises licence, particularly when considering appropriate conditions and operating hours, the following sections of the Statement of Licensing Policy (the policy) and Section 182 Guidance (the guidance) are especially relevant:

3.2 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. In certain circumstances, conditions relating to noise immediately surrounding the premises may also prove appropriate to address any disturbance anticipated as customers enter and leave (paragraph 2.19 of the guidance).

3.3 Section 6.1 & 6.2 of the policy states: The Licensing Authority will deal with the issue of licensing hours on the individual merits of each application. When the Authority's discretion is engaged, consideration will be given to the individual merits of an application but the presumption will be to grant the hours requested unless there are objections to those hours raised by Responsible Authorities or other persons on the basis of the licensing objectives. However, when dealing with licensing hours beyond midnight it is more likely that relevant representations will be made unless there are higher standards of control within operating schedules to promote the licensing objectives, especially for premises which are situated near residential areas or in areas where anti-social disorder takes place.

3.4 Section 6.4 of the policy states: The terminal hours will normally be approved where the Applicant can show that the proposal would not adversely affect the licensing objectives unless, after hearing relevant representation the Licensing Authority believe it necessary, proportionate and reasonable to restrict the hours required. The Licensing Authority may set an earlier terminal hour where it

considers this is appropriate to the nature of the activities and the amenity of the area.

- 3.5 Paragraph 10.14 of Guidance issued under Section 182 of the Licensing Act 2003 states: where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested.
- 3.6 Paragraph 10.15 of the Guidance then continues: Shops, stores and supermarkets should normally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping unless there are good reasons, based on the licensing objectives, for restricting those hours. Section 6.8 of the Policy gives the following as reasons for a restriction: This could be if an individual shop is known to be a focus of disorder and disturbance and relevant representations have been received. Another such reason may be a particularly early opening time, where there are reasons to believe that the availability of alcohol at that hour could impact adversely on the licensing objectives.
- 3.7 Section 10.1 of the Policy states: The Licensing Authority recognises the great variety of premises for which licences may be sought. These will include theatres, cinemas, restaurants, pubs, nightclubs, cafes, takeaways, community halls and schools. Access by children to all types of premises will not be limited unless it is considered necessary to do so in order to protect them from harm.
- 3.8 Section 10.2 of the Policy states: When deciding whether or not to limit access to children the Licensing Authority will judge each application on its own individual merits. Examples which may give rise to concern and warrant restrictions in the operating schedule include premises: -
- ❑ where entertainment of an adult or sexual nature is provided
  - ❑ where there is a strong element of gambling taking place
  - ❑ with a known association with drug taking or dealing
  - ❑ where there have been convictions of the current management for serving alcohol to minors
  - ❑ with a reputation for allowing underage drinking
  - ❑ where the supply of alcohol for consumption on the premises is exclusive or primary purpose of the services provided at the premises.
- 3.9 The desired outcome is a determination of the application with reasons provided which relate to the four licensing objectives and when conditions are imposed, that these are appropriate to address the licensing objectives.

#### **4. Options available and consideration of risk**

- 4.1 The Licensing Authority may decide to impose additional conditions to address the four licensing objectives, or to amend or remove requested licensable activities. When coming to their decision the Licensing Sub-Committee must give consideration to the Section 182 Guidance and the Statement of Licensing Policy. Reasons must be given which relate to the licensing objectives for any decision made.
- 4.2 The Sub-Committee will need to consider the hours of operation proposed, the effectiveness of the operating schedule proposed by the applicant, the representations received, the location of the premises in relation to residential properties, the history of the management of the premises (if applicable), the evidence provided of any problems in the past, the likely impact of any extension of hours and activities, public transport, taxi availability, the right the applicant has to operate a business and balancing the rights of residents to the quiet enjoyment and privacy of family life. West Devon relies on tourism, with holidaymakers both from this country and international visitors who are, in the main, families with young children and retired people – the very segment of society who would perhaps be deterred by anti-social behaviour. These, and any other relevant issues, may be explored at the hearing in so far as it reflects the four licensing objectives.
- 4.3 A decision made by the Licensing Sub-Committee may be appealed by the applicant or any person who has made relevant representations. The right of appeal is to the Magistrates' Court by virtue of Section 181 and Schedule 5 of the Licensing Act 2003. The Magistrates' Court may dismiss the appeal, or substitute its own decision, or send back the case to the Licensing Authority with directions as to how the case is to be dealt with. The Magistrates' Court may make any costs order it thinks fit.
- 4.4 The Licensing Act 2003 contains a provision which enables a responsible authority or any other person to apply to this Licensing Authority for a review of the premises licence once granted. A hearing follows which enables the Sub-Committee to use the normal powers available, but also to suspend the licence for a period of up to three months or to withdraw it.

#### **5. Proposed Way Forward**

- 5.1 That the Sub-Committee consider the application for a new Premises Licence and make a determination in respect of this application, namely to:
- i) grant the application as submitted, subject to any Mandatory Conditions required;
  - ii) modify the conditions of the licence;

- iii) exclude any of the licensable activities to which the application relates;
- iv) to refuse to specify a person in the licence as the premises supervisor;
- v) reject the application,

in line with the licensing objectives (Section 4) contained within the Licensing Act 2003.

## 6. Implications

Implications	Relevant to proposals Y/N	Details and proposed measures to address
Legal/Governance	Y	<p>The Licensing Act 2003 gives Licensing Authorities the responsibility for determining applications submitted under this provision. This is a statutory obligation.</p> <p>As there have been relevant representations in respect of this application which have not been resolved, this hearing must be held. Relevant representations are about the likely effect of the grant of the application on the promotion of the licensing objectives, by responsible authorities or any other person. The Licensing Sub-Committee must disregard any information or evidence not relevant to the licensing objectives.</p> <p>The Licensing Sub-Committee must consider this application in accordance with Section 4 of the Licensing Act 2003, which requires that licensing functions must be carried out with a view to promoting the four licensing objectives. The Licensing Authority must also have regard to its own licensing policy and the Secretary of State's guidance, but may depart from both if it has good reason to do so. Those reasons should be stated.</p> <p>The Act requires (Section 18) that in dealing with a new premises licence application, the committee takes any of the following steps which are appropriate for the promotion of the licensing objectives:</p> <p>(a) to grant the licence subject to:-</p> <ul style="list-style-type: none"> <li>i) the conditions mentioned in section 18 (2)(a) [ie as applied for] modified to such as extent as the authority considers necessary for the promotion of the licensing objectives, and</li> <li>ii) any conditions which must under section 19, 20 or 21 be included in the licence;</li> </ul> <p>(b) to exclude from the scope of the licence any of</p>

		<p>the licensable activities to which the application relates;</p> <p>(c) to reject the application</p> <p>The Sub-Committee must give its reasons for its decision to take any of these steps. Similarly, if the application is rejected, the Sub-Committee must give its reasons.</p> <p>The applicant or any person who has made relevant representations has the right to appeal a decision made by the Licensing Sub-Committee to the Magistrates' Court by virtue of Section 181 and Schedule 5 of Licensing Act 2003.</p> <p>On appeal, the Magistrates' Court may:</p> <ul style="list-style-type: none"> <li>a) dismiss the appeal;</li> <li>b) substitute for the decision appeal against another decision which could have been made by the Licensing authority;</li> <li>c) remit the case to the Licensing Authority to dispose of it in accordance with the direction of the court.</li> </ul>
Financial	N	There are no direct financial implications to the Council from this Report. However, should a decision be challenged this could result in the Council facing an appeal to the Magistrates Court with the risk of costs being awarded against the Council.
Risk	Y	<p>The Licensing Authority must follow strict legislation in accordance with the Licensing Act 2003 and adhere to the statutory instruments contained with the Act.</p> <p>All decisions must be taken in consideration of the four licensing objectives (section 2.3). These objectives are in place to give protection to the public from the potential negative impacts caused by licensed premises.</p> <p>Decisions may be appealed (see financial and legal/governance sections above).</p>
Comprehensive Impact Assessment Implications		
Equality and Diversity		Compliance with the Human Rights Act 1998 – Article 6: right to a fair trial.
Safeguarding		All decisions must take into consideration the 'protection of children from harm' licensing objective.
Community Safety, Crime		Section 17 Crime and Disorder Act 1998 applies. Decisions made must relate to the four licensing

and Disorder		objectives as detailed in section 2.3 of this report.
Health, Safety and Wellbeing		All decisions must take into consideration the four licensing objectives, including 'public safety' and 'protection of children from harm'.
Other implications

**Subject:** Bronson's Premises Licence Application

Dear Licensing,

Having spoken to Graham Lawrence about this site, I am aware that the property is a listed building therefore I am concerned about noise breakout from recorded music, as it is a listed there is no guarantee that the premises can be adequately retro-fitted to enable adequate acoustic insulation. In my view until this is sorted and bearing in mind the live music act issues the granting of a premises licence may interfere with the prevention of a public nuisance licensing objective. Therefore please take this email as Environmental Health's objection to the premises licence application.

**Subject:** Development at 76 West Street

We are seriously concerned with the concept of a recorded and live music venue at this location, we own Flat 3, 77 West Street and both our kitchen, lounge and master bedroom all share a wall with the proposed development. We are not confident that the structure and makeup of these historic buildings would maintain and allow for the standard of privacy and noise levels to which we are accustomed. Although Weatherspoons was a synthetic development we still experience noise from the outside areas especially during the summer but this has been such at a tolerable level commensurate with a well run hotel/bar. The proposed development at No 76 has no separation and is thus imposing by its very nature a very noisy neighbour upon us, not only in terms of crowd noise and actual volume but also vibration which can be physically destructive as well as socially unacceptable.

We await your response.

Thank you for allowing us to voice our concerns.

Your sincerely

Please could this be logged as my formal representation regarding Bronson's Licensing Application:

Further to the application, I feel it is only reasonable that the main door in and out of the premises would need to remain on a closer to prevent noise leakage - can this be a licensing condition? Mr Fogg's 8c West Street, was subject to considerable sound insulation to the glazing and the doors were to remain shut.

Thickened glass, rather than double glazed glass has not reassured my family regarding noise nuisance, so feel there are still issues surrounding noise leakage that need to be addressed.

I feel that if the correct conditions were put in place with the licence that this would possible help reassure my family that we will be able to enjoy our home. I would ask that Licensing remember that both mine and Bronson's properties are very old and not designed to keep noise out, therefore controlling noise pollution will make a huge difference to the quality of our lives and future well-being. In particular, I would ask that the applicant is mindful that I have 3 children, one of which has health problems.

To suggest dealing with obvious noise pollution after the event, means that me and my family have on-going stress and the need to spend weeks/months proving that we are impacted, which seems very unfair. 2 old buildings with no sound insulation will clearly be a problem, that needs addressing beforehand, rather than transferring the problem to my family.

I am aware that Mr Fogg's has since revoked the pursuit of Planning on 8c West Street, as they felt with hindsight that the premises were not going to be suitable. Therefore I would ask that you please recognise the similar implications of Bronson's and act on them before.... not after the event.

To summarise:

1. Can a self closer be placed on main door to prevent noise leakage?
2. Can CCTV be fitted outside to record any anti-social behaviour or damage?
3. In light of the close proximity could the applicants or Licensing/Planning/ Environmental Health Department do some sound tests regarding any amplified music, to ascertain the impact to residents and modify the decibel levels accordingly, so that we can be reassured we will not be impacted in Russell Street?

I understand that the applicant has good intentions and appreciate their responses, but ultimately am still concerned that we will be impacted by noise nuisance, so if the music and patrons cannot be heard in Russell Street, then this would settle any remaining concerns surrounding my families well-being. Please see the attached letters from my children, so the applicant can appreciate their concerns.

Kind regards

Joanna Potter and Brian Cooper

Friday 15<sup>th</sup> September

I am writing about the house for  
another pub in Tarrant We have  
a lot of noise and I am studying  
for exams this year, so I can't  
sleep at night.

Please don't allow noise from  
pubs near my home as I don't  
like people ~~making~~<sup>making</sup> me up Please let  
us sleep well

I was recently diagnosed with right occipital lobe cavernous hemangioma Epilepsy, focal onset seizure with rare secondary generalisation.

I would like to explain that my mum, Joanna Potter, has moved me to the back of the house as trying to sleep on the front side was very noisy, the loud music and noise from people at weekends are still a problem and my triggers for seizures are tiredness, poor health and light sensitivity.

The new music levels and increased poor behaviours such as shouting and swearing will certainly cause me to have less sleep even with the window shut. I'm still disturbed by people screaming and am sure that this will impact on my health.

I have attached my hospital number and local Dr's details who can confirm my health problems.

Declan Potter

Hi,

(4d)

My A levels are this year and I read/study in my bedroom  
I know I can only complain about the new site + Blonsome as  
my Mum missed the deadline for Mr Foggs, but we are right  
between both these pubs so the noise will be awful for me  
and my family

I can hear music from Jack Chams and people running/shouting  
in Garden Lane, which is horrible and disturbs me at night  
Please do not make the noise worse by keeping these pubs open  
so close to my home and bedroom window  
My window doesn't keep the noise out

Dear Sir/Madam

I would like to support the above application as I believe the premises will not contribute to any crime & disorder whatsoever.

Nor will it hinder on public safety or be a public nuisance.

I also fully believe that the premises and outside will be fully safe for any children.

To Whom It May Concern

I am writing in support for a Premises License for Lisa Bronson in opening Bronsons. My name is Jessica Hawke and my business post code is PL19 0HD. I believe Tavistock is in need of something like this for entertainment and social purposes in between the likes of Wetherspoons and Jack Chams. The premises will not contribute to crime and disorder and will not be a hinder on public safety. I would like to support the Premises License for Lisa Bronson as I feel like it would be a sophisticated place for families to spend time because it will be safe for children.

Many thanks,  
Jessica Hawke

To whom it may concern.

I write with my fullest support of the application as detailed above. I understand that the planning council will have concerns relating to crime and disorder and public safety. I do not believe that such a premises would pose any additional risk to the town on these fronts. With the premises proposed I believe that it would be another enhancement for Tavistock.

**Subject:** Representation in support of Premises License for Lisa Bronson- Bronson's

Dear Sirs

I am writing to give my support to the above application.

Lisa has explained her plans for her premises to me which I think will be a welcome addition to Tavistock because there is nothing like what it proposed in the town at present.

I am sure there are fewer licensed premises now in the town than there have been in years gone by therefore I cannot envisage the granting of a license to Lisa having any detrimental effect on the town in terms of increasing crime or disorder.

I firmly believe the type of establishment planned will add to the town's nightlife and enhance the offerings available. I cannot see there will be any detrimental effect on public safety. The plans are for a 'top end' establishment and I understand the market she is targeting will include families with children therefore I have no doubt that it will be safe for parents to take their offspring. Indeed my wife and I have two daughters and we would have no hesitation in taking them to an establishment owned by Lisa.

I fully support this application.

Yours faithfully

**Subject:** SUPPORT FOR APPLICATION TO CONBVERT PART OF BRYANTS INTO A BAR

Dear Licensing people

Can I please on behalf of myself and my wife, register our support for the new licence application for the property in West Street which is currently used for Bryants of Tavistock

The town is in need of a more "grown up" bar facility and I am sure that as compared to the Queens Head and Jack Chams which are in close vicinity this application will provide a much quieter and potentially hassle free in terms of noise and disruption option

We are hopeful that you will look favourably on this application and this will in turn enable the provision of a new experience into the town
