Summary of Report

To present the Harbour Board's Annual Report.

RECOMMENDATION

That the Harbour Board RESOLVES to publish the Annual Report 2011.

1. BACKGROUND

- 1.1 The Harbour Board Published the Strategic Business Plan in 2007 (SH7/07).
- 1.2 The Strategic Business Plan introduced the concept of the Harbour Board reporting annually on their progress against this plan.

2. MATTERS FOR FUTURE CONSIDERATION

2.1 **Publication of the Annual Report.** The Annual Report 2011 reports the progress made against the Boards Strategic Objectives up to 31 March 2011 and is at Enclosure 1.

3. LEGAL IMPLICATIONS

- 3.1 Statutory Powers: Local Government Act 1972, Section 151. The Pier and Harbour Order (Salcombe) Confirmation Act 1954 (Sections 22-36).
- 3.2 There are no other legal implications to this report.

4. FINANCIAL IMPLICATIONS

4.1 There are no new financial implications as a result of this report; however there will be some minor costs for printing and distribution of documents estimated at no more than £200.

5. Risk Assessment

SOUTH HAMS DISTRICT COUNCIL

AGENDA ITEM

NAME OF COMMITTEE	Salcombe Harbour Board
DATE	12 July 2011
REPORT TITLE	Final Accounts 2010/11
Report of	Head of Finance Head of Service – Salcombe Harbour
WARDS AFFECTED	All South Hams

Summary of report:

This report advises Members of the Harbour's final trading position in 2010/2011 together with brief details of the main variations from the original budget. A summary of harbour reserves and balances is also provided.

Financial implications: A trading surplus of £50,425 was generated in 2010/2011

RECOMMENDATIONS:

That the Board RESOLVES to note the final accounts for 2010/2011 as set out within Appendix A.

1. BACKGROUND

- 1.1 The 2010/11 budget was set at a break-even position.
- 1.2 The Harbour's trading accounts have now been finalised, pending external audit certification during August 2011. The accounts have been prepared on an accruals basis and take account of all relevant income streams and expenditure items. The final outturn position for the year is a surplus of £50,425. This is after the following exceptional items:-

a. Four items of expenditure totalling £33,971 that would have otherwise had to be funded from reserves. These were minor pontoon work at Frogmore £2,391, a replacement dory £4,205, installation of Grove crane £17,475, and improvements to tender berthing at Whitestrand £9,900.

And income from:-

b. Sale proceeds of £2,618 from the sale of equipment and scrap.

When adjusted for the above items the surplus generated from normal trading activities would have been £81,778.

1.3 The accounts show how funds have been used to deliver services and form an essential part of public accountability. Inevitably, circumstances that arise throughout the year often differ from the budgeted position, giving rise to financial variations. However, the overall impact is mitigated by continuous monitoring and timely decision making where corrective action is required.

2. ISSUES FOR CONSIDERATION

2.1 Trading Performance - Expenditure

The table below identifies the main variations from budget. Overall, actual expenditure exceeded the budget by £57,264. However, when adjusted for the items funded from revenue £33,971 (see 2a above and net of £17,000 budget) and Items being funded from Reserves (dredging) £83,621 this means that actual expenditure was £26,328 below budget. As in previous years decisions regarding expenditure levels have been taken within a control framework, having regard to increased levels of income generated during the year.

Item	Explanation	Forecast (Under)/Over expenditure £
Harbour Employees	A reduction in overtime payments and reduced cost of seasonal staff along with additional income from SHDC re boat washing and boat licences.	(24,383)
	Employers Liability insurance budget is included under premises.	3,398
	Training, medical fees & recruitment.	<u>3,476</u>
	Total Employee Variances	(17,509)
Repairs & Maintenance a. General Repairs &	Overspend due to R&M costs for the Harbour Office and Workshops.	827
Maintenance b. Piers, Landings & Pontoons	Refurbishment of tender berthing pontoons at Whitestrand, Normandy Bridge and the pontoon extension at Kingsbridge and Southpool.	3,501

_		T
c. Marks &	No major failures of the navigation marks and beacons this year resulted in an under expenditure.	(2,464)
Beacons d. Moorings	Under spend due to reduced amount of repairs required and lower tender price for chains.	(19,271)
	Total R&M Variance	(17,407)
Rents	Duchy rent charge is based on actual income earned from the Fundus. Income in the year was higher than budgeted which increases the rent charge.	5,812
Insurance	New policy split out the various covers and is now included under Employee and transport costs as well. Overall saving with new policy is £13,113.	(25,155)
Other Premises variances	Various	<u>543</u>
	Total Premises Variances	(36,207)
Equipment	No furniture or equipment was purchased during the year.	(1,158)
Printing, Stationery & Advertising	Various minor variations	52
Communications	Savings on postage and telephone charges	(1,459)
Protective clothing		(863)
Cash Collection Charges	Charge relates to card payments	539
Shower Tokens		(2,295)
Other Supplies & Services variances	Miscellaneous minor variances.	(2,468)
	Total Supplies & Services Variances	
	Variatices	<u>(7,652)</u>

Total Expenditure Variations		26,358
	Total new projects funded from Revenue	16,971
	Less contribution from reserves	(17,000)
	Replacement Dory	4,205
	Grove Crane	17,475
from Revenue	Whitestrand Tender Berthing	9,900
New Projects Funded	Frogmore Pontoon.	2,391
Capital Charges		(3)
Transport	Higher R&M costs following unscheduled replacement launch engine (£9,812) and Transport insurance (£8,644) budget under Premises. Offset by other minor variations (£-413).	18,042

2.2 Trading Performance - Income

The 2010/11 budget included a 2% increase for all charges other than visiting yachts, these charges were frozen. This was intended to generate sufficient additional income to cover expenditure levels, and enabled a balanced budget to be set. Overall, income received during the year has out-performed the budget by £24,067 after adjusting for the contribution from Revenue reserve re dredging. The table below shows the main areas of variations from budget.

Item	Explanation	Forecast Under/(Over) Income £
Harbour Dues	Increase almost entirely due to additional casual dues collected at the Boat Park, which also offset a small reduction in income from both resident and visiting vessels.	(4,919)
Mooring Hire	Some additional income from Batson Pontoons following installation of new pontoons with additional berths. Additional berths replaced unused facilities in upper reaches of the estuary. Further income from the Dentridge Commercial pontoons and increased mooring income from Visiting yachts.	(18,310)

Miscellaneous	Small boat pontoon systems	(6,394)
	Water Taxi Service	3,237
	Mooring Licences	7,319
	Security Patrol	772
	Proceeds from sale of equipment and scrap metal.	(2,618)
Interest Received	Interest is payable on reserve balances. Interest rates have fallen due to the recession resulting in lower interest being earned.	1,700
Other minor variations	Various	(4,854)
Total Income Variations		(24,067)

2.3 The Overall Position

The net position after taking into account variations in both income and expenditure is a generated surplus of £50,425. This will be confirmed once the Harbour accounts have been subject to external audit verification during August 2011. A schedule of actual income and expenditure against budget is included at Appendix A.

A Balance Sheet Extract is included as Appendix B.

The generated surplus will be incorporated into the General Reserve. An analysis of the closing position of each of the Harbour reserves is included at Appendix C

4. LEGAL IMPLICATIONS

4.1 The Statutory Powers that apply to this report are the Local Government Act 1972, Section 151and The Pier and Harbour Order (Salcombe) Confirmation Act 1954.

5. FINANCIAL IMPLICATIONS

5.1 The financial implications of this report are that a trading surplus of £50,425 was generated in 2010/11. It is pleasing to report that the Harbour has generated a trading surplus for the 2010/11 financial year as well as being able to finance additional project work from revenue generated during the year without having to further deplete reserves. This will bolster retained reserves, and will assist with the financing of future initiatives for the benefit of the Harbour users.

6. RISK MANAGEMENT

6.1 The risk management implications are:

Opportunities	Benefits
The report enables informed discussion relating to the budget and accounts for the Harbour	Finalised accounts allow planning for future projects to be considered in an informed manner
Issues/Obstacles/Threats	Control measures/mitigation
Accounts have yet to be subject to the external audit process	Harbour accounts have been prepared with regard to relevant accounting standards and practices. It is unlikely that the external audit process will change the overall position.

Corporate priorities engaged:	Budget considerations support all Council priorities
Statutory powers:	Local Government Act 1972, Section 151; The Pier and Harbour Order (Salcombe) Confirmation Act 1954.
Considerations of equality and human rights:	None directly arising from this report
Biodiversity considerations:	None directly arising from this report
Sustainability considerations:	None directly arising from this report
Crime and disorder implications:	None directly arising from this report
Background papers:	Corporate Finance working papers

NAME OF COMMITTEE	Salcombe Harbour Board
DATE	12 July 2011
REPORT TITLE	TOPICAL HARBOUR ISSUES
REPORT OF	Salcombe Harbour Master
WARDS AFFECTED	All South Hams

Summary of Report

To update the Harbour Board and Public on a range of Topical Harbour Issues.

RECOMMENDATION

That the Harbour Board RESOLVES to:

- a. Congratulate Mr Goodhead on the award of the UKHMA
 Bursary for the International Diploma for Harbour Masters and
 to finance the additional associated costs of the course;
- b. Support Frogmore Boatyard's application for a slipway for the Boatyard's use, through the planning process.

1. BACKGROUND

1.1 Progress has been made on a range of operational issues in preparation for the forthcoming season.

2. ISSUES FOR CONSIDERATION

2.1 **UKHMA Bursary**

- 2.1.1 The UK Harbour Masters' Association (UKHMA), in conjunction with maritime training provider ibc Academy, awarded their 2011 Training Bursary to Mr Philip Goodhead, one of the Harbour Authority Mooring Officers. The award, which is worth some £1600, counts towards the one-year distance learning course managed by ibc Academy (formerly Lloyd's Maritime Academy) leading to the International Diploma for Harbour Masters.
- 2.1.2 The ibc Academy International Diploma for Harbour Masters distance learning course aims to provide the marine safety and management knowledge potentially required by harbour masters and port captains around the world. This also includes their deputies and staff, as well as others with responsibility for the marine functions of a port or harbour.

This harbour master training programme is also for anyone with an interest in preparing themselves to enter this profession.

2.2 Frogmore Boatyard

- 2.2.1 The management of Frogmore Boatyard have expressed an interest in constructing a slipway from their land onto the foreshore just south of the public landing pontoon. The slipway will enable yachts to be slipped for maintenance without having to drop their masts, which is currently necessary when using the slip at the head of the Creek, because of the overhead cables between the slipway and the boatyard. This adds to the cost of the service which has to be passed onto the customer.
- 2.2.2 It will be a long process and will require the support of the landowner, the Duchy of Cornwall, Natural England and will also require planning permission and a licence from the Marin Management Organisation.
- 2.2.3 At this stage of the process the Boatyard would like to know they have the support of the Harbour Authority, before committing time and resources into the planning process.

3. LEGAL IMPLICATIONS

- 3.1 Statutory Powers: Local Government Act 1972, Section 151. The Pier and Harbour Order (Salcombe) Confirmation Act 1954 (Sections 22-36).
- 3.2 The District Council will have the opportunity to comment upon this request when it becomes a formal planning application. At this stage comments are being sought in the Council's capacity, through the Board, only as Harbour Authority and as Members will readily appreciate, that means that the response should be confined to matters relevant to the Harbour Authority's concerns. Members may wish to consider making only a preliminary response at this stage until more information is provided, when a formal position can be adopted.
- 3.3 Making a preliminary response at this stage will also assist those Members who may, in their capacity as either parish, town or district council members, have to give their views when determining any application that the Boatyard may make in future.
- 3.4 There are no other legal implications to this report.

4. FINANCIAL IMPLICATIONS

4.1 The Harbour Authority will contribute the balance of the Harbour Master's Diploma, a cost of £1,600 from the Harbour's annual training budget.

5. RISK ASSESSMENT

5.1 The risk management in 1990 are:

SOUTH HAMS DISTRICT COUNCIL

AGENDA ITEM 10

NAME OF COMMITTEE	Salcombe Harbour Board
DATE	12 July 2011
REPORT TITLE	PERFORMANCE MANAGEMENT
REPORT OF	Salcombe Harbour Master
WARDS AFFECTED	All South Hams

Summary of Report

To report the Harbour's performance against agreed Performance Indicators (PIs).

RECOMMENDATION

That the Harbour Board RESOLVES to Note Harbour Performance against agreed Performance Indicators.

1. BACKGROUND

1.1 The Harbour Board endorsed the introduction of a set of PIs and to have them reported as a standing agenda item (SH 26/06).

2. ISSUES FOR CONSIDERATION

- 2.1 This report of Harbour Performance Indicators covers the period from 1 April to 30 June 2011. The detailed report against the agreed performance Indicators with comments for the period is at Appendix A. Detailed comments below are limited to where targets have not been met or have over preformed by a considerable margin:
 - 2.1.1 SH 22(L) Health and Safety Accidents involving members of staff. There was one minor incident this quarter during which a member of the workshop team strained their shoulder whilst replacing the wheel onto the crane after maintenance.
 - 2.1.2 SH22A(L) Health and Safety Accidents involving members of the public. There were two incidents. One involved a man who fell into the estuary whilst getting into his tender. He was quickly recovered but was not wearing a lifejacket. The other involved a man who slipped on Normandy Pontoon Bridge. No injuries were sustained.

- 2.1.3 SH32A(L) **Staff days Lost to unauthorised Absence**. During the reporting period two members of staff were absent for long periods due in one case to a bad back and in the other stress. Both staff members are back at work and hopefully no long term problems.
- 2.1.4 SH34(L), SH35(L), SH36(L) **Visiting Yachts**. Visiting yacht numbers are up by 4% over the first quarter last year. However because the average length of stay has increased from 1.5 to 1.8 nights income has increased by a massive 18%. This can be attributed to the excellent weather this spring and some strong winds which have kept boats in harbour. It is also possible that the spring discounts which have been offered for the past three years are beginning to reap dividends.
- 2.1.5 SH37(L) Yacht Taxi. The number of taxi passengers carried is up by 20% over the first quarter last year. The Board asked for a correlation to be made between the number of visiting yachts and the number of yacht taxi passengers carried. A direct correlation between visiting yachts and taxi passengers suggests that this year for each visiting yacht there were four taxi journeys (compared to 3.5 last year). There is no way of knowing how many local boat owners have used the taxi, but 19% (1,480) journeys were paid for with the concession tickets, which are more likely to be local boat owners rather than visitors, but not exclusively so. Last year in the first quarter there were 950 journeys paid for by concession tickets which was 13% of all journeys, indicating that the concession tickets are becoming more popular as they provide excellent value for money.
- 2.1.6 SH40(L) Water Quality Pollution Incidents. South West Water reported one instance when there had been an overflow event that meets the trigger criteria at this bathing water. This report is part of a reporting trial, whereby following incidents such as this notices are displayed at the Blue Flag Beaches.

3. LEGAL IMPLICATIONS

- 3.1 Statutory Powers: Local Government Act 1972, Section 151. The Pier and Harbour Order (Salcombe) Confirmation Act 1954 (Sections 22-36).
- 3.2 There are no other legal implications to this report.

4. FINANCIAL IMPLICATIONS

4.1 There are no direct financial implications as a result of this report. This report highlights performance issues which may have financial implications at a later date. Should this be the case a separate report will be brought forward for the Harbour Board's consideration.

AGENDA ITEM 11

SOUTH HAMS DISTRICT COUNCIL

AGENDA ITEM 11

NAME OF COMMITTEE	Salcombe Harbour Board
DATE	12 July 2011
REPORT TITLE	MATTERS FOR FUTURE CONSIDERATION
REPORT OF	Salcombe Harbour Master
WARDS AFFECTED	All South Hams

Summary of Report

To identify matters for future consideration by the Harbour Board.

RECOMMENDATION

That the Harbour Board RESOLVES to:

- a. note the report;
- b. hold a Harbour Board workshop in 19 July to consider the Strategic Business Plan 2012-17.

1. BACKGROUND

1.1 The Harbour Board Constitution states that Matters for Future Consideration should be reviewed by the Board at each meeting.

2. MATTERS FOR FUTURE CONSIDERATION

2.1 Harbour Board Dates

- 2.1.1 The following dates have been set for Harbour Board Meetings:
 - 2.1.1.1 26 September 2011
 - 2.1.1.2 7 November 2011
 - 2.1.1.3 30 January 2012
 - 2.1.1.4 26 March 2012
 - 2.1.1.5 28 May 2012
 - 2.1.1.6 9 July 2012
 - 2.1.1.7 24 September 2012

2.2 **Strategic Business Plan 2012 - 2017**

- 2.2.1 The 1st round of consultation closed 6 May 2011, a compendium of all the feedback was presented at the Board meeting on 6 June along with a summary of the initial work completed by the Board at the workshop on 16 February.
- 2.2.2 There will be a Harbour Board workshop at Follaton House on 19 July to work through the issues raised by the consultation and prepare an outline plan for consideration at the Harbour Board meeting on 26 September.

2.3 The Harbour Board Annual Report

2.3.1 To be published at the Harbour Board meeting on 9 July 2012.

2.4 Performance Management

2.4.1 Reviewed quarterly with the report for the 2nd quarter of financial year 2011/12 being presented on 7 November 2011.

2.5 Year End Budget Report 2010/11

2.8 Fees and Charges 2012/13

2.8.1 To be presented to the Board on 26 September 2011.

2.9 Moorings Policy

2.9.1 The Moorings Policy was last reviewed in 2007 and is due for a review in 2012.

2.10 Salcombe Town Landings

- 2.10.1 Plans progressing to install the replacement town landings before the 2012 season. When the Board approved the proposal it was suggested that the Board working Group should continue until the pontoons are installed and commissioned to ensure the new arrangements are publicised fully to smooth the transition.
- 2.10.2 It is proposed that the working group meet in October, prior to works commencing.

2.11 Compliance with the Port Marine Safety Code

2.11.1 The Harbour is audited bi-annually by the designated person. A report of the Audit will be brought to the Board on 30 January 2012.

3. LEGAL IMPLICATIONS

- 3.1 Statutory Powers: Local Government Act 1972, Section 151. The Pier and Harbour Order (Salcombe) Confirmation Act 1954 (Sections 22-36).
- 3.2 There are no other legal implications to this report.

4. FINANCIAL IMPLICATIONS

4.1 There are no new financial implications as a result of this report, however this is not necessarily the case for the work which will follow.

5. Risk Assessment

5.1 The risk management implications are:

SH.12/11 **MINUTES**

The minutes of the meeting of the Salcombe Harbour Board held on 6 June 2011 were confirmed as a correct record and signed by the Chairman.

SH.13/11 URGENT MATTERS

The Chairman advised that he had one item of urgent business to be raised as an exempt item at the end of the meeting.

SH.14/11 **DECLARATIONS OF INTEREST**

Members were invited to declare any interests in the items of business to be considered during the course of the meeting. These were recorded as follows:-

Cllr S A E Wright declared a personal interest in all agenda items by virtue of him having worked in a self employed capacity in the Harbour and also having a mooring.

SH.15/11 PUBLIC QUESTION TIME

There were no public questions raised at this time.

SH.16/11 FEEDBACK FROM HARBOUR COMMUNITY FORUMS

The Board received verbal update reports from the Board Members who attended the Harbour Community Forums, during which reference was made to:-

Salcombe Kingsbridge Estuary Conservation Forum

The Conservation Forum met on the 28 June. They had elected a new Chairman, Tony Watson, who had previously been a successful Commodore of the Yacht Club and had expertise that he could bring to the role. The meeting went on to discuss a number of ongoing issues around the Harbour.

Salcombe Kingsbridge Estuary Association (SKEA)

A letter was drafted to the Chairman of SKEA to determine their future intentions in relation to acting as a Community Forum. As yet, a response had not been received.

Kingsbridge Estuary Boat Club

Since the last meeting of the Harbour Board, the Boat Club had met for a social event. The only issue to discuss was the possible new pontoon, however, discussions on this are ongoing.

South Devon & Channel Shellfishermen

The only current issue for the Shell fishermen was the Fish Quay.

Cllr Wright advised the Board that, following the request made to him at the previous meeting, he had arranged for a number of commercial operators to come together as a Forum. They agreed to meet on a regular (twice a year) basis, and be known as the Kingsbridge and Salcombe Marine Business Forum. The key objectives of the Forum were agreed as follows:

- Support local businesses;
- Improve communication;
- Improve long-term sustainability of local businesses; and
- Jointly promote the Estuary as an Area of Outstanding Natural Beauty and improved safe accessibility.

All Board Members agreed that the Kingsbridge and Salcombe Marine Business Forum should be included as an additional Forum.

It was then:

RESOLVED

That the Kingsbridge and Salcombe Marine Business Forum be accepted as a new Harbour Community Forum.

SH.17/11 ANNUAL REPORT

The Board considered a report which outlined the way in which the Harbour Board operated and described the progress made during the previous financial year **Page 50**

The Harbour Master introduced the report, and explained that the report was written against the five year plan. Following a brief discussion, the annual report was agreed.

It was then:

RESOLVED

That the Annual Report 2011 be published.

SH.18/11 FINAL ACCOUNTS 2010/11

Consideration was given to a report which advised Members of the Harbour's final trading position in 2010/11 together with brief details of the main variations from the original budget.

The Principal Accountant took Members through the report, and advised that a healthy surplus had been made. The Harbour Master commented that his only concern was that pay had been frozen for three years and, whilst this made setting the budget easy, there would potentially be an issue once the pay freeze ended as staffing costs were a major expense.

During discussion, the following points were raised:

- (a) Savings had been made by using proper procurement processes, which had helped to bring a number of costs under control;
- (b) The reduction in income from Deep Water Moorings was due to a number of Mooring contracts being cancelled at the last minute. This issue had been addressed at the previous meeting of the Harbour Board (minute SH.06/11 refers):
- (c) In response to a number of figures being different to their estimate, the Principal Accountant explained that as the budget was set in September, this was undertaken without up to date information from the current year which was not available until after October;
- (d) A number of Members queried the HQ cost allocations. In response, the Executive Member for Finance and Audit suggested an additional recommendation that he and the Principal Accountant assess the HQ cost allocations to identify any savings or efficiencies that could be made, particularly in light of the management restructure.

It was then:-

RESOLVED

1. That the Board note the final accounts for 2010/2011 (as set out in the presented appendix A to the agenda report); and

2. That the Executive Member for Finance and Audit work with the Principal Accountant for Salcombe Harbour to identify any savings or efficiencies that could be made to the HQ cost allocation element of the budget.

SH.19/11 TOPICAL HARBOUR ISSUES

The Board considered a report which updated it on developments on a number of operational issues within Salcombe Harbour.

In introducing the report, the Harbour Master made reference to the achievement of Mr Goodhead on the award of the UKHMA Bursary for the International Diploma for Harbour Masters and the fact that this route was now the way forward for Harbour Masters to gain a qualification recognised by the UK Harbour Master's Association in line with recognised National Occupational Standards.

The Harbour Master moved on to the second element of the report which was Frogmore Boatyard's application for a slipway. During discussion, the following points were raised:

- The Harbour Master explained that the Board would be a consultee to this application, which would need an MMO Licence, along with others such as the Duchy and Natural England, however, at this stage he wished to gauge if there was broad support for the proposal;
- Most Members were generally supportive of the proposal, although it
 was recognised that some issues such as signage and landscaping
 would be addressed as planning matters rather than via the Harbour
 Board;
- A Member wanted it known that this proposal was supported as a standalone proposal for an established boatyard. Another Member raised the distinction between a slipway and a jetty;
- A Member asked if information was forthcoming in relation to power washing on the proposed slipway. The Harbour Master advised that this could be imposed as a condition of the licence.

It was then:

RESOLVED:

That:-

- the Board congratulate Mr Goodhead on the award of the UKHMA Bursary for the International Diploma for Harbour Masters and agree to finance the additional associated costs of the course;
- 2. Support be given to Frogmore Boatyard's application for a slipway for the Boatyard's use, through the Hamiltonian process.

SH.20/11 PERFORMANCE MANAGEMENT

The Board was asked to consider a report relating to the Harbour's performance against agreed Performance Indicators (PIs).

The Harbour Master took Members through the main points of the report. A discussion ensued which related to water pollution, and it was agreed that the Chairman would again write to the Chairman of South West Water in relation to incidents of pollution.

It was then:-

RESOLVED

That the Harbour's Performance against agreed Performance Indicators be noted.

SH.21/11 MATTERS FOR FUTURE CONSIDERATION

The Board considered a report which identified matters for future consideration by the Harbour Board.

The Harbour Master introduced the report, and advised Members that this report was their opportunity to get items onto the Board agenda.

He concluded this item by reminding Members of the workshop which would take place on 19 July 2011.

It was then:-

RESOLVED:

- i) That the report be noted; and
- ii) That a Harbour Board Workshop be held on 19 July 2011 to consider the Strategic Business Plan 2012-17.

SH.22/11 EXCLUSION OF PUBLIC AND PRESS

RESOLVED

That in accordance with Section 100(A)(4) of the Local Government Act 1972, the public and press be excluded from the meeting during consideration of the following item of business in order to avoid the likely disclosure to them of exempt information as defined in paragraph 3 of Part 1 of Schedule 12A to the Act.

SH.23/11 SALCOMBE FISH QUAY

As referred to above under Urgent Matters (minute SH.13/11 above refers), the Board discussed the Salcombe Fish Quay. Following a discussion, the Board wished for its strong concerns to be forwarded to the Head of Assets accordingly.

(Meeting commenced at 2.30 pm and concluded at 4.30 pm).	
(Meeting commended at 2.00 pm and considered at 4.00 pm).	
	Chairman
