1. BACKGROUND

- 1.1 The Licensing Authority received an application for a new premises licence on 25 July 2013 from Mr Yilmaz Bali for **Vinos Pizzeria and Grill, 7 Fore Street, Ivybridge, PL21 9AB**. A copy of the application is attached (**Appendix 'A'**).
- 1.2 The application is for the provision of late night refreshment Sunday to Thursday from 11pm to midnight and Friday and Saturday from 11pm to 1.30am. The provision of late night refreshment is the sale of hot food and hot drinks between 11pm and 5am.
- 1.3 The Licensing Department received six representations in respect of this application; these can be found in **Appendix 'B'**. We received representations from Ivybridge Town Council, an Ivybridge Town Councillor, from Environmental Health, from the Police and from two District Councillors. The objections mainly relate to concerns about the potential for public nuisance and disorder. Reasons given for these concerns directly relate to the late hours of trading and the nature of the business as a takeaway. It has been noted that the clientele using the premises after 11pm are likely to be inebriated, thus creating a greater potential for public disorder. It has been suggested that should the premises trade after 11pm, there should be provisions in place to help prevent and control possible incidents.
- 1.4 Although there are other takeaway premises located in Fore Street, Ivybridge, it has been highlighted by the Police representation that these do not operate throughout their licensed hours due to work and consultation between the proprietors, the Police and Ivybridge Town Council. The Police have described hot food takeaways in locations situated near to public houses as 'Hot Spots' for trouble, where incidents of disorder are caused by groups of drunken individuals congregating in one area to buy and consume food.
- 1.5 Most of the representations highlight the likelihood of a noise nuisance being caused by customers congregating in the area and talking or shouting to one another and also an increase in litter from wrappers, packaging and food. It has been noted that although the premises is located in the town centre, there are many residents that live in the vicinity that may be affected.
- 1.6 Both the Police and the Environmental Health Officer have included requests for conditions relating to the provision of CCTV and provision of SIA trained door supervisors, should the application for the late night refreshment licence be granted. The Environmental Health Officer has also requested that conditions to minimise the potential nuisance from waste be included on the licence if granted.
- 1.7 It has not been possible for the Licensing Department to mediate with all parties; therefore a satisfactory conclusion has not been possible.

(Please note that due to the amount of paperwork contained within these appendices, full copies have only been circulated to the Sub-committee Members. Any Interested Parties who would like to receive full (or part) copies are asked to contact Member Support Services on (01803) 861273.)

2. ISSUES FOR CONSIDERATION

- 2.1 As mentioned above, six representations have been received from: two District Councillors, Ivybridge Town Council, an Ivybridge Town Councillor, Environmental Health and the Police.
- 2.2 Issues raised in the representations relate to the potential for increased crime and disorder and public nuisance should the late night refreshment licence be granted.
- 2.3 To give a better idea of the situation of the premises, a location map and photographs of the takeaway can be found in **Appendix 'C'**.
- 2.4 The Sub Committee will now need to consider this application.

4. RELEVANT LICENSING POLICY CONSIDERATIONS

Licensing Objectives

- 4.1 Section 2.1 of the Policy states: The Licensing Authority has a duty under the Act to carry out its licensing functions with a view to promoting the four licensing objectives. (These objectives are the only matters to be taken into account in determining the application and any conditions attached must be necessary to achieve the licensing objectives).
- 4.2 Section 2.2 of the Policy states: A licence will only be granted where the Licensing Authority is satisfied that these objectives have been met.
- 4.3 Section 2.3 of the Policy lists the kind of measures the Licensing Authority will be expecting to see taken into account to promote the objectives.

Conditions

- 4.4 Sections 2.5 & 2.6 of the Policy sets out additional legislation, strategies, policies and guidance to which the Licensing Authority will have regard. Section 4 of the policy sets out what the Sub-Committee should consider before imposing conditions on a licence.
- 4.5 The Guidance issued under Section 182 of the Licensing Act 2003 which was revised and re-published in June 2013 state:
- 4.6 The Licensing Authority may not impose conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that is appropriate to impose conditions to promote one or more of the four licensing objectives (paragraph 10.8 of the guidance).
- 4.7 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. In certain circumstances, conditions relating to noise immediately surrounding the premises may also prove appropriate to address any disturbance anticipated as customers enter and leave (paragraph 2.22 of guidance).

Licensing Hours

- 4.8 Section 6.1 & 6.2 of the Policy states: The Licensing Authority will deal with the issue of licensing hours on the individual merits of each application. When the Authority's discretion is engaged, consideration will be given to the individual merits of an application but the presumption will be to grant the hours requested unless there are objections to those hours raised by Responsible Authorities or other persons on the basis of the licensing objectives. However, when dealing with licensing hours beyond midnight it is more likely that relevant representations will be made unless there are higher standards of control within operating schedules to promote the licensing objectives, especially for premises which are situated near residential areas or in areas where anti-social disorder takes place.

There is no presumption within the legislation for longer opening hours.

- 4.9 Section 6.5 of the Policy states: The terminal hours will normally be approved where the Applicant can show that the proposal would not adversely affect the licensing objectives unless, after hearing relevant representation the Licensing Authority believe it necessary, proportionate and reasonable to restrict the hours required. The Licensing Authority may set an earlier terminal hour where it considers this is appropriate to the nature of the activities and the amenity of the area.
- 4.10 Paragraph 10.13 of Guidance issued under Section 182 of the Licensing Act 2003 states: shops, stores and supermarkets should normally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping unless there are good reasons, based on the licensing objectives, for restricting those hours

Children

- 4.11 Section 7.1 of the Policy states: The Licensing Authority recognises the great variety of premises for which licences may be sought. These will include theatres, cinemas, restaurants, pubs, nightclubs, cafes, takeaways, community halls and schools. Access by children to all types of premises will not be limited unless it is considered necessary to do so in order to protect them from harm.
- 4.12 Section 7.2 of the Policy states: When deciding whether or not to limit access to children the Licensing Authority will judge each application on its own individual merits. Examples which may give rise to concern and warrant restrictions in the operating schedule include premises: -
- where entertainment of an adult or sexual nature is provided
 - where there is a strong element of gambling taking place
 - with a known association with drug taking or dealing
 - where there have been convictions of the current management for serving alcohol to minors

- with a reputation for allowing underage drinking
- where the supply of alcohol for consumption on the premises is exclusive or primary purpose of the services provided at the premises.

5. LEGAL IMPLICATIONS

- 5.1 As there have been relevant representations in respect of this application which have not been resolved, this hearing must be held. (Relevant representations are about the likely effect of the grant of the application on the promotion of the licensing objectives, responsible authorities or any other person). The sub-committee must disregard any information or evidence not relevant to the licensing objectives.
- 5.2 The sub-committee must consider this application in accordance with Section 4 of the Licensing Act 2003, which requires that licensing functions must be carried out with a view to promoting the four licensing objectives. The Licensing Authority must also have regard to its own licensing policy and the Secretary of State's guidance, but may depart from both if it has good reason to do so. Those reasons should be stated.
- 5.3 The Act requires (Section 18) that in dealing with a new application, the committee takes any of the following steps which are necessary for the promotion of the licensing objectives:
- (a) To grant the Licence subject to:-
 - i any Mandatory Conditions required;
 - ii modifying the conditions which have been specified in the operating schedule;
 - (b) to exclude any of the licensable activities to which the application relates;
 - (c) to refuse to specify a person in the licence as the premises supervisor;
 - (d) to reject the application

The Sub-Committee must give its reasons for its decision to take any of these steps. Similarly, if the application is rejected, the Sub-Committee must give its reasons.

- 5.4 The committee will need to consider the hours of operation proposed, the effectiveness of the operating schedule proposed by the applicant, the representations received, the location of the premises in relation to residential properties, the history of the management of the premises, the evidence produced of any problems in the past, and the likely impact of any extension of hours and activities, public transport, taxi availability, the right the applicant has to operate a business and balancing the rights of residents to the quiet enjoyment and privacy of family life. That South Hams relies on tourism, with the population in the district doubling in the Summer months with holidaymakers both from this country and international visitors who are, in the main, families with young children and retired people – the very segment of society who would perhaps be deterred by anti-social behaviour. These issues, and any other relevant ones, may be explored at the hearing in so far as it reflects the four licensing objectives.
- 5.5 If the Sub-Committee rejects the application, or modifies the conditions of the licence, the applicant or any person who made relevant representation in relation to the application may appeal within 21 days of notification of the decision to the Magistrates' Court. Those making relevant representations may also appeal if they believe that the licence should not have been varied, or that, when varying the licence, the Licensing Authority ought not to have modified the conditions, or ought to have modified them in a different way. The Magistrates' Court may dismiss the appeal, or substitute its own decision, or send back the case to the Licensing Authority with directions as to how the case is to be dealt with. The Magistrates' Court may make any costs order it thinks fit.
- 5.6 If extended hours/licensable activities are granted, the Licensing Act contains review provisions which enable a responsible authority or any other person to apply to this Licensing Authority for a review of the licence. A hearing follows which enables the sub-committee to use the normal powers at a hearing (set out above) but also to suspend the licence for a period of up to three months or to revoke it.

6. FINANCIAL IMPLICATIONS

- 6.1 There are no direct financial implications to the Council from this Report.
