Dear Lisa

**South Hams District Council - Certification of claims and returns - annual report 2016/17**

Public Sector Audit Appointments requires its external auditors to prepare an annual report on the claims and returns certified for each audited body. This letter is our annual report for the certification work we have undertaken for 2016/17.

In 2016/17 we carried out certification work on only one claim/return, the Housing Benefit Subsidy claim. The certified value of the claim was £21,580,806, and we completed our work and certified the claim on 27 November 2017.

**Matters arising**

Our certification work on Housing Subsidy Benefit claim included:

- agreeing standard rates, such as for allowances and benefit incomes, to the DWP Circular communicating the value of each rate for the year;
- sample testing of benefit claims to confirm that the entitlement had been correctly calculated and was supported by appropriate evidence;
- undertaking an analytical review of the claim form considering year-on-year variances and key ratios;
- confirming that the subsidy claim had been prepared using the correct benefits system version; and
- completing testing in relation to modified schemes payments, uncashed cheques and verifying the accurate completion of the claim form.

Our work did not identify any issues or errors and we certified the claim unqualified without amendment.

Consequently we have made no recommendations to the Council to improve its claims completion process. There were no recommendations made last year and there are no further matters to report to you regarding our certification work.

**Certification work fees**

Public Sector Audit Appointments set an indicative fee for our certification work in 2016/17 of £7,328. Our actual fee was the same as the indicative fee, and this compares to the 2015/16 fee for this claim of £7,670.

Yours sincerely

Darren Gilbert  
Director
