Householder application for proposed alterations and extension

Case Officer Update: 5 late letters of objection received, no new issues raised

Speakers included: Objector – Ms Jenny Webb: Parish Council representative – Cllr Tony Goddard: local Ward Members – Cllrs Pearce and Wright

Recommendation: Conditional Approval

During discussion, Members considered the elements of the proposal in detail, and comparisons were made with other properties in the vicinity. Whilst other properties had balconies, having had a site visit, some Members felt there would be an unacceptable impact on the neighbour at no. 22 of the proposed upper floor balcony.

Committee Decision: Refusal

Reasons:

The proposed first floor balcony would result in an unacceptable degree of overlooking and significant loss of amenity upon the neighbouring properties within the immediate area and therefore would be contrary to Local Plan Policies Development Plan Document Policy DP3 (Residential Amenity) and emerging Plymouth and South West Devon Joint Local Plan policies DEV1 (Protecting amenity and the environment) and the National Planning Policy Framework in particular paragraph 17.

The drawings to which this proposal relates are drawing numbers 1330/04 (Location Plan) received by the Local Planning Authority on 21st September 2017 and drawing number 1330/05/F received by the Local Planning Authority on 9th January 2018.
