1. BACKGROUND

- 1.1 The Council makes appointments to a large number of Outside Bodies.
- 1.2 Some Members will recall that this list is subject to ongoing review and the current list is attached at Appendix A.

- 1.3 In previous years, the appointments to Outside Bodies have been somewhat ad hoc and the responsibility of a combination of Council and the three Committees. With the new Committee Structure in place, it is now felt to be an opportune time to bring each of these appointments together for consideration at the Annual Council meeting.

2. ISSUES FOR CONSIDERATION

Providing Feedback to the Wider Membership

- 2.1 Since Members are appointed to represent the Outside Bodies on behalf of the Council, they are encouraged to report back on the work of the body and highlight issues of interest to the Council. With the establishment of the Members' Bulletin, Members are therefore asked to provide feedback to the wider membership via this publication.
- 2.2 Moreover, Members are reminded that appointment to Outside Bodies includes:
- a commitment to provide regular feedback on issues raised at such Bodies;
 - consultation with other Members and relevant officers on issues coming up before the Bodies; and
 - briefing / debriefing relevant officers as soon as possible after becoming aware of issues which may be of interest to the Council.
- 2.3 These requirements will help the Council in assessing whether continued membership of those Bodies remains in line with the Council's agreed Corporate Priorities.

Conflicts of Interest

- 2.4 With some of the organisations concerned, conflicts of interests due to Council representation can arise. In such cases, Members should be aware that, even though they may be the Council's representative, the first legal duty is to act in the best interests of that Outside Body when participating in the affairs of that organisation. Fortunately, commonality of interests is a more frequent situation than circumstances of conflicts of interests, but if situations do arise which may put the Council or the Member in a difficult situation advice should be sought from the Monitoring Officer.
- 2.5. Any Member serving on an Outside Body should seek advice at an early stage from that organisation as to the duties and liabilities of Members. The extent of any liability (and insurance) will depend on the nature of the organisation (e.g. is the organisation a company limited by guarantee or is it unincorporated? Am I acting as a trustee or as a Director?). If clarity of advice cannot be offered by that outside body the advice of the Monitoring Officer should be sought. Fortunately, mishaps are few and far between but Members do need to be clear as to both their responsibilities and liabilities.
- 2.6. When acting for an Outside Body, the Member is not acting for the Council as the outside organisation will invariably have a legal status independent of the Council. If the outside organisation has a Code of Conduct, it is that Code which

will apply; otherwise the Member should observe this Authority's adopted Code of Conduct.

- 2.7 Members are also reminded of their obligations regarding the Register of Interests. Amongst other things, the register should show membership of, or position of general control or management in organisations where a Member represents his/her authority.
