**1. BACKGROUND**

1.1 This is the fifth year that the Audit Commission has published 'Protecting the Public Purse – Local Government Fighting Fraud' (September 2009, October 2010, November 2011, November 2012 and the latest November 2013).

1.2 The original report introduction said:

'Every pound lost through fraud affects citizens by increasing taxation and threatening essential service.....There has been a growing recognition of the damaging impact that fraud has on the UK economy and on citizens. This recognition has been matched by some important initiatives to combat fraud. Fighting fraud is high on the agendas of the government and most private and

public sector organisations. The newly formed National Fraud Authority is committed to measuring and analysing the incidence and impact of fraud across the UK'.

## **2. UPDATE FOR 2013**

2.1 Protecting the Public Purse 2013 focuses on the continuing progress by local government to protect tax payers by fighting fraud and is available on the Audit Commission web site: <http://www.audit-commission.gov.uk/2013/11/protecting-the-public-purse-2013/>

2.2 In 2012, the report said that the local government bodies are targeting their investigative resources more efficiently and effectively, but in 2013 fewer frauds were detected in local government compared with the previous year.

Local government detected 107,000 cases with a value of £178 million of which benefit fraud accounted for 2/3rds of the loss but only 44% of the cases.

West Devon's fraud return for 2012/13 reported that there were 20 benefit fraud cases of which one had a total value over £10k in overpaid benefits. Of these 4 were prosecuted. There were no identified cases of non-benefit fraud.

2.3 Among the report's recommendations it suggests that Councils use a checklist to review its counter-fraud arrangements – Appendix A.

2.4 The Council's Chief Internal Auditor presented the completed checklist to the April 2010, 2011, 2012 and 2013 Audit Committee meetings which reflected the Council's position at these times against each of the questions.

2.5 The 2013 Audit Commission's report included recommendations that Councils should:

- Actively pursue potential frauds identified through participation in the National Fraud Initiative (NFI) data matches;
- Actively promote a vigorous counter fraud culture;
- Develop a clear strategy to tackle fraud;
- Work in partnership to reduce fraud;
- Prepare effectively for the introduction of the Single Fraud Investigation Service;
- Allocate sufficient resources to tackling fraud; and
- Improve their use of data to measure their performance in tackling fraud.

## **3. COUNTER FRAUD – INTERNAL AUDIT 2013/14**

3.1 We carried out specific counter fraud audit work for West Devon and South Hams Councils as described in the 2013/14 audit plan and previous reports to the Audit Committee.

3.2 The audit and sample testing covered the following areas:

- Planning this and future years counter fraud work;
- Review of online counter fraud guidance;
- Promotion of Anti Fraud, Corruption and Bribery Policies;
- Review of National Fraud Initiative (NFI) data matching;

- Undertake pro-active counter fraud testing:
  - Cash transactions;
  - Vehicle disposal;
  - Rented and vacant units;
  - Comparison of the payrolls for both authorities;
  - Overtime payments; and
  - Physical verification of a sample of employees.
  
- Pro-active counter fraud testing using Computer Assisted Audit Techniques (CAATS):
  - Duplicate creditor payments;
  - Duplicate employees; and
  - Unusual suppliers or transactions.

3.3 We concluded that the majority of the areas reviewed were found to be adequately controlled. Generally risks are well managed but a few areas for improvement have been identified (standard wording for Good opinion). No fraud was identified.

3.4 We have identified that, in most cases, action has been undertaken to review the data matching provided by the NFI. We would encourage management to review all the data promptly and conscientiously to ensure potential irregularities are cleared at the earliest opportunity.

3.5 Other minor issues were reported to managers in a formal audit report.
