## **1. BACKGROUND**

- 1.1 The Council's sound financial management arrangements underpin delivery of all the Council's priorities, including the commitment to providing value for money services.
- 1.2 This report forms part of the formal debt write-off procedures included in these financial arrangements.
- 1.3 West Devon Borough Council's collection rate for Council Tax for 2011/12 was 97.5% and for Non Domestic (Business) Rates was 97.4%.

## **2. ISSUES FOR CONSIDERATION**

- 2.1 In accordance with good financial management principles the Council has, for the revenue streams detailed in this report, made a total bad debt provision of £485,000. This provision recognises that a proportion of the Authority's debts will prove irrecoverable and ensures that the value of debtors within the Authority's accounts is a fair reflection of the amount that will eventually be recovered. The total collectable debt for Council Tax is £30.2 million and for Business Rates is £10.7 million.
- 2.2 All debts, taxes and rates within the Service's control are actively pursued, and in most instances are collected with little difficulty. Sometimes, however, special arrangements are needed to effect recovery, and this may mean extending the period of time to collect the debt or ultimately instigating enforcement proceedings and then using Civil Enforcement Agents to secure payment.
- 2.3 In some cases further pursuit of the debt is not possible for a variety of reasons, such as bankruptcy or liquidation and such cases with arrears under £5,000 are written off by the Head of Finance and Audit under delegated authority. Cases where the debt exceeds £5,000 must, however, be approved by Committee prior to the debt being written off.
- 2.4 A record is kept of debts written off, together with the reason for doing so, so that if there is a realistic chance of recovery in the future a debt may be resurrected and pursued again.
- 2.5 The Service has access to Experian's Citizenvue database which is currently the most reliable means of tracing absconded debtors. Each case is checked against this system before a decision is taken to write off the debt. A periodic review of write offs against this system may also be carried out to resurrect debts where appropriate.
