

**Purpose:**

The purpose of site visits is to enable Members to view particular aspects of an application in context. No decision is reached on site and there is no debate as to outcome at the site meeting.

**Attendees:**

In addition to the Council's officers and advisors (eg. County Highways), those who are entitled to attend and take part and who make up the Site Inspection Panel are:

- a. All Planning and Licensing Committee Members, including nominated substitutes for the Committee meeting, and
- b. The WDBC Member(s) representing the Ward in which the site is located
- c. A representative of the relevant Parish/Town Council

The Panel are able to ask questions of clarity but should not discuss or debate the application.

**The applicant/agent will be informed of the site inspection arrangements including this protocol. They may attend the site meeting but not participate, however, they will be expected to 'peg out' the proposed development, to include a demonstration of height where appropriate**

**At the discretion of the Chairman, the applicant or agent may be allowed to answer questions of clarity.** Specific requests to view the proposal from a particular place (e.g. objector's home) may be accommodated at the Chairman's discretion.

**Procedure on Site:**

1. The site inspection will be chaired by the Chairman (or in his absence, the Vice Chairman) who will formally open the site inspection with introductions and then invite the Planning Officer to describe the application
2. The Planning Officer then describes the proposal and relevant site specific considerations, and guides the Members to appropriate vantage points which may be within and/or outside the site
3. The Chairman will invite questions from Members to seek clarification but not opinion from the Planning Officer and advisors. At the Chairman's discretion, and in exceptional circumstances, questions may be asked of the applicant/agent or one of the representatives of the Parish/Town Council
4. Any questions that the Case Officer is unable to answer will be listed and a full response given by the Case Officer at the Committee meeting the following week
5. Chairman formally closes the meeting

**To request a site inspection:**

The Scheme of Delegation sets out the circumstances when a Member can call an application to Committee. At that point, if the Member feels a site inspection should take place, the request should be made in writing to COP Lead Development Management giving material planning reasons

At the P&L Briefing meeting held the week prior to the publication of the agenda, which is attended by the Chairman, Vice Chairman, COP Lead Development Management and Senior Case Manager (Strategy & Commissioning), the Chairman and Vice Chairman will discuss with the COP Lead Development Management which applications should be referred for site inspection. The final decision on applications to be referred for site inspection will be delegated to the COP Lead Development Management in consultation with the Chairman and material planning reasons given for his decisions

The site inspection itinerary will be prepared by the Senior Case Manager (Strategy & Commissioning) and circulated one week prior to the site inspections taking place. The itinerary will be included as part of the committee agenda

The site inspection will take place on the Thursday prior to the Committee date, and Members will receive their agenda papers prior to the site inspection taking place
