The Committee considered the applications prepared by the Development Management Specialists and considered also the comments of Town and Parish Councils together with other representations received, which were listed within the presented agenda reports and summarised below, and **RESOLVED**:

**Application for demolition of western boundary wall(s) and erection of 4 no. dwellings (two pairs of semi-detached dwellings)**

Case Officer Update: At the offset of the officer presentation, concerns were raised from the public gallery that the site plans that were being displayed were inaccurate. In light of these concerns, a number of Members did not feel that the Committee was in a position to determine the application at this time. It was therefore **PROPOSED** and **SECONDED** and on being put to the vote was declared **CARRIED** that the application be deferred for consideration at a future meeting.

**COMMITTEE DECISION:** Conditional Approval

**\*DM&L 68      PLANNING APPEALS UPDATE**

The Committee received and noted the updated list of Planning Appeals including Enforcement Appeals.

In the ensuing discussion, particular reference was made to the decision to dismiss (refuse) the appeal listed at Land adjacent to Station Road, Bere Ferrers. Whilst Members welcomed this decision, some concern was raised that, in citing another recent appeal matter, the Area of Outstanding Natural Beauty (AONB) team was acting inconsistently in its approach to responding to planning applications. As a result, some Members were of the view that there was a need for a protocol to be developed between the Development Management service and the AONB team in order to establish a consistent approach for the team to respond to relevant planning applications.

(The Meeting terminated at 10.45 am)
