1. Executive summary

1.1 The purpose of this report is to provide Members with the opportunity to scrutinise the work of the Community Safety Partnership (CSP) as defined by Sections 19 and 20 of the Police and Justice Act 2006 and the Crime and Disorder (Overview & Scrutiny) Regulations 2009.

2. Background

2.1 South Devon and Dartmoor CSP operates across Teignbridge, South Hams and West Devon and is a statutory partnership that is required to report to the Overview and Scrutiny Panel on an annual basis.

3. Outcomes/outputs

- 3.1 The CSP is intelligence led and delivers in the context of the Devon Strategic Assessment and also the Police and Crime Plan that is owned by the Police and Crime Commissioner. The CSP continues to focus on the most vulnerable within our community in response to information provided by the Devon Strategic Assessment and any emerging threats or risks.
- 3.2 The CSP works collaboratively across Devon and the Peninsula to tackle issues such as child sexual exploitation, modern slavery, drug misuse, prejudice related crime, preventing violent extremism and domestic violence and abuse.
- 3.3 In 2017/8 the CSP received a £25,000 grant of Safer Communities funding from the PCC via the Safer Devon Partnership, in 2018/19 the CSP will receive the same amount. This funding pays for specific projects, some of which are listed below.

Achievements in Anti Social Behaviour

South Hams

- In January 2018 the existing Alcohol Designation Orders were transferred to Public Space Protection Orders (PSPO's) relating to alcohol consumption and Anti-Social Behaviour (ASB). The areas the PSPO's covered were discussed with the local policing team to ensure that the correct areas were covered.
- In January 2018 a PSPO was created in order to deal with the issue of modified car enthusiasts (previously known as 'boy racers') driving in an anti-social manner in the Quay car park, Kingsbridge. The police, town council and SHDC had received numerous complaints from nearby residents. In addition to the creation of the PSPO, three drivers were identified as driving in an anti-social manner each were sent a 1st stage ASB letter. Two of three were later served with a Community Protection Notice (CPN) warning letter. Since this time there have been no reports of ASB driving in the area.
- A PSPO was also created preventing ball games on the pedestrian area outside of Kingsbridge Town hall and the entrance to the Quay Car Park. This was after complaints made by mainly elderly, local residents regarding youths kicking footballs around, some of which

had hit residents and two residents had been knocked over by larger teenagers playing games. Those wishing to play ball games were directed to the nearby recreation ground.

- In liaison with Devon County Council SHDC worked on an eviction of a person who resided in a caravan in Totnes who was acting in an antisocial manner. After serving the individual with a Community Protection Warning letter it was decided that the best course of action would be to evict from the area. In September 2017 a repossession order was served and the individual left the area.
- Following joint working between the ASB officer, Livewest (Registered Social Landlord) and police in Kingsbridge, Livewest applied to Plymouth County Court for an Injunction in order to control the anti-social behaviour of a tenant in the Kingsbridge area. The injunction was granted and served on the tenant. Since then no further issues have been reported.

4. Options available and consideration of risk

4.1 The CSP has adopted an intelligence led approach and is directed by the findings of the Peninsula Strategic Assessment. Each year a workshop is held which includes representatives from statutory partners to review the Devon Strategic Assessment and agree the projects for the following year. This becomes the Local Delivery Plan. Spend of the budget relates to those priorities agreed annually. Due to the proactive nature of the work it is essential that responses are also made to emerging issues and threats.

4.2 A serious emerging threat, established by evidence gathered in locations inside our own area and in neighbouring districts, is co-ordinated groups of youths perpetrating ASB. The CSP is likely to prioritise and invest significant resource next year in co-ordinating partner interventions to reduce this activity and safeguard young people against this threat.

5. Proposed Way Forward

5.1 The main considerations for members include –

- The Chief Constable of Devon and Cornwall Police has a mission statement to detect and prevent crime; protect the vulnerable and reduce crime. This creates a clear focus on safeguarding. This approach is mirrored in the priorities of the CSP.
- The CSP will continue to engage all statutory partners in the development of the Local Delivery Plan which sets out the work of the CSP directed by the Peninsula Strategic Assessment.
