in line with the licensing objectives contained within the Licensing Act 2003.

1. Executive summary

- 1.1 The purpose of the Licensing Sub-Committee meeting is to determine an application for the variation to the Premises Licence at **The Hope and Anchor, Hope Cove, Kingsbridge, TQ7 3HQ** in accordance with Section 34 of the Licensing Act 2003.
- 1.2 The Licensing Authority received an application for the variation to the premises licence of the above on 17 August 2016. A copy of the application is attached at **Appendix A**. The application is to:
1. Make changes to the premises licence plan to:
 - Alter the internal area within which regulated entertainment may take place.
 - Include live and recorded music outside between 12pm and 8pm.
 2. To change start time for sale of alcohol to 8am (currently 9am).
 3. To allow sale of alcohol to residents of the premises and their bona fide guests until 1am every day (currently midnight) and until 3am on New Year's Eve (currently 2am).
 4. To allow residents access to the licensed area 24 hrs a day and their bona fide guests to be on the premises until 1.45am (currently 12.45am) and until 3.45am on New Year's Eve (currently 2.45am).
- 1.3 The current premises licence permits the sale of alcohol for consumption on and off the premises Monday to Sunday from 9am to midnight and from 9am to 2am on New Year's Eve; indoor sporting events Monday to Sunday from 9am to midnight and 9am to 2am on New Year's Eve; late night refreshment Monday to Sunday from 11pm to midnight and 11pm to 2am on New Year's Eve. The premises licence specifies live music indoors Monday to Sunday from 9am to 11.30pm, with amplified music outside only during Hope Cove Weekend and non-amplified music outside between 10am and 10pm; recorded music is detailed as indoors Monday to Sunday from 9am to midnight and until 2am on New Year's Eve, with recorded music outside during Hope Cove Weekend only. The opening hours are Monday to Sunday from 8am to 12.45am, with closing time of 2.45am on New Year's Eve. A copy of the current premises licence and plan are at **Appendix B**.
- 1.4 Under the Live Music Act 2012, and subsequent deregulatory changes, any premises licensed for the sale of alcohol for consumption on the premises are permitted to provide live or recorded music for an audience of up to 500 persons, between the hours of 8am and 11pm (providing the premises are open for the purposes of being used for the sale or supply of alcohol at this time). This includes all areas on the licence plan which are indicated as being part of the licensed premises. Any conditions relating to live or recorded music are unenforceable during these hours. In this case, conditions relating to music only have effect between 11pm

and 11.30pm for live music and 11pm and midnight (2am on New Year's Eve) for recorded music. However, should music provided cause a public nuisance, it is possible for the premises licence to be reviewed and restrictions imposed at this stage; there is no route to dis-apply the Live Music Act through the variation process.

- 1.5 The element of the application relating to the provision of live and recorded music in the external areas is not something which can be considered through the variation process. These activities may already take place outside due to the deregulation described above. The external areas are clearly marked as being part of the premises where alcohol is consumed 'on the premises'. Therefore live and recorded music may take place in these areas between the hours of 8am and 11pm, without being specified on the premises licence. Should music outside cause a public nuisance, the premises licence may be reviewed and the Live Music Act provisions may be taken away through this process.
- 1.6 Twelve representations were received during the consultation period, including an objection from Environmental Health. Copies of these can be found at **Appendix C**. Issues raised mainly concern the prevention of public nuisance licensing objective, particularly relating to potential noise disturbance from music being played in the external areas. Also of concern is the later time proposed for sale of alcohol and opening hours for residents and guests, due to noise and disturbance from customers late at night. There is also reference to potential issues from sale of alcohol commencing at 8am rather than 9am.
- 1.7 During the consultation period, the Police liaised with the applicant's agent and agreed some amendments to the application. These are detailed at **Appendix D**. The main change is the agreement to remove reference to 'bona fide guests' so that the extensions to the hours for sale of alcohol and opening times relate to overnight residents staying at the premises only. Additional conditions relating to the 'protection of children from harm' have also been agreed.
- 1.8 The premises is located in close proximity to residential properties, although many are not permanently inhabited throughout the year.
- 1.9 We have not been able to mediate between all parties and so a satisfactory conclusion has not been possible. The Licensing Sub-Committee will now need to consider this application.

2. Background

- 2.1 As relevant representations in respect of this application have been received, which have not been withdrawn and mediation has not been possible, the Licensing Sub-Committee acting on behalf of the Licensing Authority must make a determination on this application.

When coming to a decision, the Licensing Sub-Committee must give consideration to the Council's Statement of Licensing Policy (the Policy) and Home Office guidance issued under Section 182 Licensing Act 2003 (revised March 2015).

- 2.2 Section 2.1 of the Policy states: The Licensing Authority has a duty under the Act to carry out its licensing functions with a view to promoting the four licensing objectives. (These objectives are the only matters to be taken into account in determining the application and any conditions attached must be appropriate to achieve the licensing objectives).
- 2.3 The four licensing objectives are:
 - The prevention of crime and disorder;
 - Public safety;
 - The prevention of public nuisance;
 - The protection of children from harm.
- 2.4 Section 2.2 of the Policy states: A licence (or club premises certificate) will only be granted where the Licensing Authority is satisfied that these objectives have been met.
- 2.5 Section 2.3 of the Policy lists the kind of measures the Licensing Authority will be expecting to see taken into account to promote the objectives.
- 2.6 Sections 2.5 & 2.6 of the Policy set out additional legislation, strategies, policies and guidance to which the Licensing Authority will have regard. Section 4 of the policy sets out what the Sub-Committee should consider before imposing conditions on a licence.
- 2.7 The Guidance issued under Section 182 of the Licensing Act 2003 which was revised and re-published in March 2015 state: The Licensing Authority may not impose conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives (paragraph 10.8 of the guidance).
- 2.8 The following responsible authorities are statutory consultees under the Licensing Act 2003:
 - Devon and Cornwall Police
 - Devon and Somerset Fire and Rescue Service
 - Devon Safeguarding Children's Board
 - Devon County Council Trading Standards
 - Devon Drug and Alcohol Action Team, NHS Devon
 - South Hams District Council Planning Department
 - South Hams District Council Environmental Health (Health & Safety)

- South Hams District Council Environmental Health (Pollution Control)

Out of the above responsible authorities, representations were been received from Environmental Health and amendments have been agreed between the Applicant and the Police.

- 2.9 In addition to the above responsible authorities, any person may make a representation in relation to a premises licence application, including District Councillors and Parish Councils. District Councillors and Parish Councils are notified of every application for a premises licence application, no representations from District Councillors have been received in relation to this application.

3. Outcomes/outputs

- 3.1 When determining an application for a premises licence, particularly when considering appropriate conditions and operating hours, the following sections of the Statement of Licensing Policy (the policy) and Section 182 Guidance (the guidance) are especially relevant:
- 3.2 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. In certain circumstances, conditions relating to noise immediately surrounding the premises may also prove appropriate to address any disturbance anticipated as customers enter and leave (paragraph 2.18 of the guidance).
- 3.3 Section 6.1 & 6.2 of the policy states: The Licensing Authority will deal with the issue of licensing hours on the individual merits of each application. When the Authority's discretion is engaged, consideration will be given to the individual merits of an application but the presumption will be to grant the hours requested unless there are objections to those hours raised by Responsible Authorities or other persons on the basis of the licensing objectives. However, when dealing with licensing hours beyond midnight it is more likely that relevant representations will be made unless there are higher standards of control within operating schedules to promote the licensing objectives, especially for premises which are situated near residential areas or in areas where anti-social disorder takes place. There is no presumption within the legislation for longer opening hours.
- 3.4 Section 6.5 of the policy states: The terminal hours will normally be approved where the Applicant can show that the proposal would not adversely affect the licensing objectives unless, after hearing relevant representation the Licensing Authority believe it necessary, proportionate and reasonable to restrict the hours required. The Licensing Authority may set an earlier terminal hour where it considers this is appropriate to the nature of the activities and the amenity of the area.

- 3.5 Paragraph 10.14 of Guidance issued under Section 182 of the Licensing Act 2003 states: where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested.
- 3.6 Section 7.1 of the Policy states: The Licensing Authority recognises the great variety of premises for which licences may be sought. These will include theatres, cinemas, restaurants, pubs, nightclubs, cafes, takeaways, community halls and schools. Access by children to all types of premises will not be limited unless it is considered necessary to do so in order to protect them from harm.
- 3.7 Section 7.2 of the Policy states: When deciding whether or not to limit access to children the Licensing Authority will judge each application on its own individual merits. Examples which may give rise to concern and warrant restrictions in the operating schedule include premises: -
- where entertainment of an adult or sexual nature is provided
 - where there is a strong element of gambling taking place
 - with a known association with drug taking or dealing
 - where there have been convictions of the current management for serving alcohol to minors
 - with a reputation for allowing underage drinking
 - where the supply of alcohol for consumption on the premises is exclusive or primary purpose of the services provided at the premises.
- 3.8 The desired outcome is a determination of the application with reasons provided which relate to the four licensing objectives and when conditions are imposed, that these are appropriate to address the licensing objectives.

4. Options available and consideration of risk

- 4.1 The Licensing Authority may decide to impose additional conditions to address the four licensing objectives, or to amend or remove requested licensable activities. When coming to their decision the Licensing Sub-Committee must give consideration to the Section 182 Guidance and the Statement of Licensing Policy. Reasons must be given which relate to the licensing objectives for any decision made.
- 4.2 The Sub-Committee will need to consider the hours of operation proposed, the effectiveness of the operating schedule proposed by the applicant, the representations received, the location of the premises in relation to residential properties, the history of the management of the premises (if applicable), the evidence provided

of any problems in the past, and the likely impact of any extension of hours and activities, public transport, taxi availability, the right the applicant has to operate a business and balancing the rights of residents to the quiet enjoyment and privacy of family life. The South Hams relies on tourism, with the population in the district doubling in the summer months with holidaymakers both from this country and international visitors who are, in the main, families with young children and retired people – the very segment of society who would perhaps be deterred by anti-social behaviour. These issues, and any other relevant ones, may be explored at the hearing in so far as it reflects the four licensing objectives.

- 4.3 A decision made by the Licensing Sub-Committee may be appealed by the applicant or any person who has made relevant representations. The right of appeal is to the Magistrates' Court by virtue of Section 181 and Schedule 5 of the Licensing Act 2003. The Magistrates' Court may dismiss the appeal, or substitute its own decision, or send back the case to the Licensing Authority with directions as to how the case is to be dealt with. The Magistrates' Court may make any costs order it thinks fit.
- 4.4 The Licensing Act 2003 contains a provision which enables a responsible authority or any other person to apply to this Licensing Authority for a review of the premises licence once granted. A hearing follows which enables the Sub-Committee to use the normal powers available, but also to suspend the licence for a period of up to three months or to withdraw it.

5. Proposed Way Forward

- 5.1 That the Sub-Committee consider the application for a variation to Premises Licence and make a determination in respect of this application, namely to:
- a) grant the application as submitted, subject to any Mandatory Conditions required;
 - b) modify the conditions of the licence;
 - c) reject the whole or part of the application
and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

in line with the licensing objectives contained within the Licensing Act 2003.

6. Implications

Implications	Relevant to proposals Y/N	Details and proposed measures to address
Legal/Governance	Y	<p>The Licensing Act 2003 gives Licensing Authorities the responsibility for determining applications submitted under this provision. This is a statutory obligation.</p> <p>As there have been relevant representations in respect of this application which have not been resolved, this hearing must be held. Relevant representations are about the likely effect of the grant of the application on the promotion of the licensing objectives, by responsible authorities or any other person. The Licensing Sub-Committee must disregard any information or evidence not relevant to the licensing objectives.</p> <p>The Licensing Sub-Committee must consider this application in accordance with Section 4 of the Licensing Act 2003, which requires that licensing functions must be carried out with a view to promoting the four licensing objectives. The Licensing Authority must also have regard to its own licensing policy and the Secretary of State's guidance, but may depart from both if it has good reason to do so. Those reasons should be stated.</p> <p>The Act requires (Section 34) that in dealing with an application to vary a premises licence, the sub-committee may take any of the following steps it considers appropriate for the promotion of the licensing objectives:</p> <ul style="list-style-type: none"> (a) to modify the conditions of the licence; (b) to reject the whole or part of the application and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added. <p>The Sub-Committee must give its reasons for its decision to take any of these steps. Similarly, if the application is rejected, the Sub-Committee must give its reasons.</p> <p>The applicant or any person who has made relevant representations has the right to appeal a decision made by the Licensing Sub-Committee to</p>

		<p>the Magistrates' Court by virtue of Section 181 and Schedule 5 of Licensing Act 2003.</p> <p>On appeal, the Magistrates' Court may:</p> <ul style="list-style-type: none"> a) dismiss the appeal; b) substitute for the decision appeal against another decision which could have been made by the Licensing authority; c) remit the case to the Licensing Authority to dispose of it in accordance with the direction of the court.
Financial	N	There are no direct financial implications to the Council from this Report. However, should a decision be challenged this could result in the Council facing an appeal to the Magistrates Court with the risk of costs being awarded against the Council.
Risk	Y	<p>The Licensing Authority must follow strict legislation in accordance with the Licensing Act 2003 and adhere to the statutory instruments contained with the Act.</p> <p>All decisions must be taken in consideration of the four licensing objectives (section 2.3). These objectives are in place to give protection to the public from the potential negative impacts caused by licensed premises.</p> <p>Decisions may be appealed (see financial and legal/governance sections above).</p>
