

Appendix F South Brent

List of street names in previous Order (a map is shown in Appendix I):

The recreation ground on Exeter Road to include the car park, skate board park and hard court area. The children's play park situated on Totnes Road, Sanderspool Cross and the grass verge running alongside the park; as far as the footpath leading into Avon Close/Pool Park to include the bus shelter.

SHDC received no response for South Brent for the consultation.

Police Neighbourhood Team response (which also covers Totnes):

South Brent has an expected far smaller number of incidents and resultant crimes (than Totnes.) There are not the contributory factors that Totnes has, therefore, **from a policing point of view, the loss of the PSPO from South Brent would not be as sorely missed** as it would be in Totnes, **there would always be alternative methods of 'disposal' in a town like South Brent.**
