**Recommendations:**

**That the Audit and Governance Committee:**

1. Notes the content of the Budget Book for 2023/24.

## **1. Executive summary**

Attached is a copy of the Budget Book for 2023/24. This sets out the Council's Revenue Budget for the year into the four Directorates of Customer Service and Delivery, Place and Enterprise, Governance and Assurance and Strategic Finance.

## 2. Background

The Budget Book compares the Budget for 2022/23 against the Budget for 2023/24. Cost pressures and savings which were set out in the Medium Term Financial Strategy (MTFS) and agreed as part of the budget process are shown in the 'MTFS' column, with a note underneath. For example, the income target for Treasury Management investment income has been increased by £677,000 for 2023/24, and this is shown in Cost Centre S6050 Interest and Investment Income.

The Budget Book shows any 'virements' within 2022/23. A virement is where a budget is moved from one budget holder (and cost centre) to another, to better reflect where budget responsibility should be held. Virements always net to zero.

In addition various presentational changes have been made to the 2023/24 budget shown in the 'other adjustments' column in the Budget Book. This aligns budgets to reflect current income and expenditure arrangements. These adjustments net to zero overall, as they are purely presentational.
