Natural Environm	ent							
	NE0.1	Refresh our 2020 Climate and Biodiversity Action						
Natural Environment (Mov		Plan in line with the Devon Carbon Plan	A refreshed plan					
			Support for the communications and engagement function of the Devon Climate Emergency					
		Support Devon Climate Emergency Partnership	Partnership	£ 2,000		£ 2,000		
Primary Aim 1 - An inci	rease in biodi	versity across the borough in the next 4 years						
		Implement a revised grounds maintenance						
		programme for council land to increase	Develop specification and identify route to procure					
Natural Environment	NE1.2	biodiversity	/ lease equipment					
		Promote successful regenerative farming and						
	1154.2	natural regeneration sites to inspire our future						
	NE1.3	plans	Create a baseline of agriculture activity					
latural Environment	NE1.4	Develop a plan for Wildlife wardens with the						
		intention this becomes self-funding in future	Part-time (2.5 days pw) Wildlife Warden Officer					
		years	Appointed (12 month fixed term)	£ 20,000				
		Work with Plymouth and South Devon	Develop the plan for increasing within WD and to					
		Community forest to identify opportunities for tree planting and biodiversity in the borough	understand the carbon credits	£ 50,000		£ 50,000		
Primary Aim 2 - Contin	l ue to make r	eductions in eCO2 emissions across the Borough to	stav on track for net zero hv 2050	1 50,000		1 50,000		
		Develop, review and adopt a Local Cycle and						
		Walking Infrastructure Plan for the Borough to						
Natural Environment	NE2.1	inform future strategic planning	An adopted LCWIP					
		Implement the Councils adopted Electric Vehicle						
Natural Environment	NE2.2	charging strategy	Delivery of EV Strategy delivery plan					
		Promote the use of renewable energy sources						
Natural Environment	NE2.3	within the West Devon community	Delivered through the UK Shared Prosperity Fund					
		Promote a thermal imaging camera lending						
		scheme to enable residents and community						
		facilities to identify areas for improving insulation	Review trial and extend (including additional					
Natural Environment	NE2.4	in properties	cameras)	£ 5,000		£ 5,000	)	
	NE2.5	Work with communities, Town and Parish	Identify sites that could potentially be used for					
		Councils to understand existing plans for, and	allotments (such as South Tawton)					
			Develop proposals for consideration					
Natural Environment		could be used as allotments						
		Implement a decision making tool to assess						
		climate and biodiversity (in addition to social						
Natural Environment	NE2.6	value / other implications)						
Primary Aim 3 - Lead b	y example to	promote positive action on climate change and bio	diversity					
Natural Environment	NE3.1	Reduce Scope 1 and 2 Emissions to Net Zero by	Net zero 2030					
		2030 and work towards reducing scope 3	Complete feasibility study for fleet conversion and			+	+	
		emissions by working with suppliers	costs, bringing proposals forward to Council during					
			2024/25	£ 10,000				
			Develop plans for Decarbonisation of buildings -	10,000				
			Kilworthy and wider estate, bringing proposals					
			forward to Council during 2024/25					
Network 5			-			tbc		
Natural Environment	NE3.2	Improve recycling rates and reduction in residual	Organise visits to Energy from Waste plants and					
		waste.	biodigesters to inspire improved levels of recycling and reduction in residual waste					
			Delivery of capital improvements (such as			<u> </u>	+	
				1	1	1	1	
			Hayedown) and infrastructure to support an					

	]

			Deliver a communications campaign to promote reduce / reuse / recycle / garden waste collections etc					
Natural Environment	NE3.3	Environment Agency with a 'Call for Evidence' on	SWW & EA to attend Overview and Scrutiny					
			Collaborate with relevant authorities and stakeholders to encourage improvement of sewage treatment infrastructure					
				£ 87,000	£	£ 57,000	£	
Built Environmen	+			1 87,000	<u> </u>	£ 57,000		
		I nce existing historic fabric and retain locally distinct	I ive features in the design of building, layouts, street	I scene and landscape	s to guarantee the au	l thenticity and int	l egrity of the World H	J Heritage Site to maintain it for future generations
					0	,		
			Two neighbourhood plans made / modified each					
			year					
			Develop proposals to promote Neighbourhood					
			Plans to Towns and Parishes including case studies					
Built Environment	BE1.1		of where they have positively supported communities					
Built Environment	BE1.1	Plan and prepare for the review of the Local Plan						-
built Environment			JLP review preparation and work programming					
			(Phase 1). Review Climate Emergency Impact Statement					
			(DEV32 requires all development to contribute to					
			the 50% carbon reduction target by 2034, against a	£ 100,000		£ 100,000		
		2005 baseline, as well increasing the use and						
			production of decentralised energy).					
	BE1.2		Housing Position Statement					
			Rolling programme of 2-3 CAA's coming forward					
			each year based on prioritisation in line with the					
			JLP hierarchy set out in Policy TTV1, where they					
			contain a Conservation Area: - Main towns					
		Support the refresh and expansion of	- Smaller Towns and Key villages					
		conservation area appraisals and management	- Sustainable Villages					
Built Environment	BE1.3	plans throughout conservation areas	- smaller village hamlets					
			Plan, developed and agreed to create a Local Listed					
		Develop a plan for preserving Duke of Bedford	Development Order with design code to positively					
Built Environment	BE1.4	Cottages	manage the Duke of Bedford Cottages					-
Built Environment	BE1.5	Contribute and promote the World Heritage Site	Invite WHS to O&S / Planning Board in order to					
			support and align to the WHS Management Plan Take steps to raise the profile of the World					-
			Heritage Site					
Built Environment	BE1.6	Deliver on our planning improvement plan to						
		make sure applicants continue to receive a better	Review and update as necessary our Planning					
		service	Customer Charter.					
			Deliver a planning training session to Town and					
			Parish Councils within 6 months following					
			elections. Enabling them to understand what is					
			important when considering applications					4
			Review the current Planning Enforcement policy to					
			ensure we improve transparency of the process					
			Consider progress against the Planning					1
	1

			The Council will continue to lobby for legislative and regulatory change to address the challenges that the district faces around second homes and shortterm let holiday accommodation. Specifically, the Council will lobby for the ability to register shortterm lets and to licence them. The Council will then seek the ability to limit the number of holiday lets in a particular area when market			
			penetration of shortterm holiday lets exceeds a given proportion of total homes. Finally, we'll continue to lobby to Support the introduction of a new use class for short term lets, and not to allow changes between the new use class and residential properties without planning permission			
			Policy report to Council to implement 100%
