Dear Graham

### **Examiner's Report on Staverton Parish Neighbourhood Plan**

Further to receiving the Independent Examination Report produced by Deborah McCann, Staverton Parish Council considered the recommendations put forward in that Report at its meeting last night.

I confirm that Staverton Parish Council resolved to accept all of the modifications recommended by the Examiner (minute item 07/02/24: 05 a) relates).

We submit our finalised Plan, which we understand will now go forward for consideration by the South Hams Executive on 7<sup>th</sup> March. The Parish Council would request that South Hams District Council also accept the findings of the Examiners Report, approve our Neighbourhood Plan and move it forward to a Referendum.

Kind regards

Karen Smith  
Parish Clerk
