1	Adherence to Medium Term Financial Strategy (MTFS), due to council decisions, changes in Government Policy and/or Income Streams	Failure to sustain a robust on-going medium term financial strategy with adequate reserves to meet unforeseen circumstances, due to cost pressures and a reduction in income targets, changes in Government policy with regard to business rates and affordable housing; Potential impact on delivering the MTFS, particularly if national/regional businesses successfully appeal against business rate valuations	Reduction in Government grant, increasing demand for services and other cost pressures and increased risks associated with localised business rates and council tax support. Additionally, income from activities may not materialise or may be reduced, e.g. business rate appeals or a reduction in the commercial property market. The amount of income received can be adversely affected by a fall in collection rates due to economic downturn and other factors such as the bankruptcy/liquidation of large ratepayers or any sizeable rateable value reductions achieved by business rated properties in the area. Reclassification of waste classes by the Environment Agency could see items becoming recoverable rather than recyclable material, e.g. leaf sweeping could reduce recycling rate by about 5% in West Devon and 1% in South Hams. It is as yet unknown if and when such changes may take place. 100% local business rate retention is subject to consultation and the impact on LAs in unclear.	5 !	5 4	4	4	2	4 2	25	SLT preparing options for decision via JSG and discussion at budget Workshops held in Sept/Oct 2017. Robust horizon scanning to monitor changes in Government policy. SLT awareness of the risks, cautious approach to budgeting and robust systems of financial control. SLT engaged in the development of the MTFS. Latest budget reports approved by both Councils in February 2017 after member workshops in October 2016 and result of 4yr Government Finance Settlement communicated.	Interdependency between the finances of the two councils, due to the extent to which services have been shared – SHDC generated annual savings of £3.9m and WDBC generated savings of £2.2.m pa from shared services and single workforce. If one council were to be unable to balance its budget, it would have a detrimental effect on the other council. Out to public consultation re Single Council; WDBC have approved £25m borrowing for commercial property acquisition. JSG have recommended to Council the commissioning route for frontline commercial services. Budget workshop to be held in both councils during Sept / Oct to discuss possible income / service reduction options. Less favourable settlement over NHB and decision not to implement LACC. Govt undertaking a fair funding review. Report to the Council in Sept 17 to recommend being part of a Devonwide Pilot Bid for business rates for 2018/19. There is uncertainty over the level of public sector pay rises which is subject to national negotiation.	Hold budget workshop (LB); Analyse output from public consultation (SLT); Commence commissioning Dialogue where legally required (HD); for other services, consider alternative delivery & partnering mechanisms to ensure best value (SLT); SLT to continue to ID other options Council will supply evidence as part of the rural fair share campaign on the cost of delivering services in rural areas (PH)

JLP Submitted. Evidence base weight is stronger than previous. However, lack of housing position statement on 5 year land supply (particularly for WD) means councils are vulnerable to increased appeals (particularly in SHDC) and maybe designation (in WDBC).	TJ to write housing position statement and pass through each council for approval. Due: complete by October
3	Political commitment for change	On-going political commitment to support changes needed for ongoing financial sustainability & community resilience	Considerable external change with devolution and Governmental funding cuts; leading to uncertainty within the South West and beyond.	4 4	4 3	4	4	1	4		Regular leader & deputy meetings. JSG meetings held monthly. Regular surgery and informal sessions for wider membership.	Recognition of the importance of political leadership is being discussed with Leaders & deputies. More work required with Members to increase awareness of impact of the challenges faced.
