It is recommended that the Executive:-

1. Executive summary

- 1.1 The Council's Medium Term Financial Position (MTFP) is based on a financial forecast over a rolling five year timeframe to 2022/23.

- 1.2 The Council, along with other local authorities, has faced unprecedented reductions in Government funding since the Comprehensive Spending Review 2010.
- 1.3 Between 2009/10 and 2019/20, the Council's Core Government funding has reduced by £4 million.
- 1.4 South Hams has continued to work in partnership with West Devon Borough Council which has allowed South Hams District Council to achieve annual savings of £3.9 million and more importantly protect all statutory front line services.
- 1.5 Between both Councils the annual shared services savings being achieved are over £6 million. However, the Councils continue to face considerable financial challenges as a result of uncertainty in the wider economy and constraints on public sector spending as outlined in the Comprehensive Spending Review.
- 1.6 South Hams District Council is currently forecasting a £0.8m budget gap by 2020/21, with West Devon forecasting a £1.1m budget gap for the same period.
- 1.7 Both Councils acknowledge that there is no single solution to addressing the reduction in funding while maintaining services across the two areas, and a number of initiatives are being considered in parallel.

2. OVERALL POSITION – BUDGET GAP

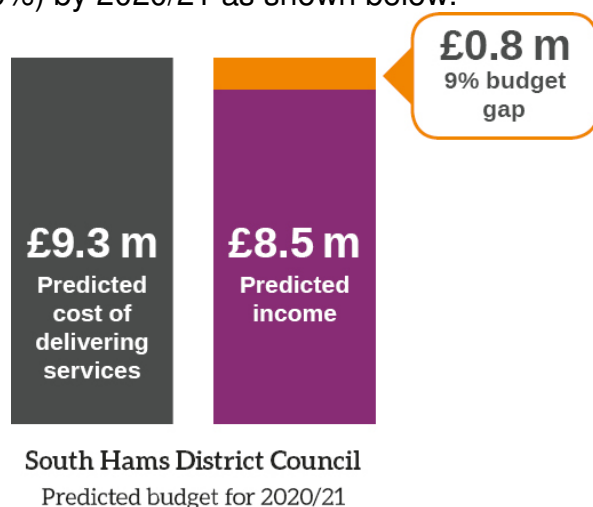

2.1 Appendix B illustrates the overall financial forecast for the forthcoming five years. The Council's Net Budget is £8.3 million in 2017/18. A Summary forecast is shown below of the potential budget situation if all of the budget pressures and the savings and income generation in Appendix A were approved. It also shows the situation if the Council Tax is increased by £5 (shown in Appendix B).

2.2 The following table illustrates the predicted budget gap from 2018/19 onwards for the Council as shown in Appendix B:

	2018/19	2019/20	2020/21	2021/22	2022/23
Cumulative budget gap	£584,647	£753,278	£816,627	£835,040	£898,953

This financial position (and Appendix A and Appendix B) is the same financial position that was set out in the report to the Executive on 20th July 2017 in the report entitled 'Medium Term Financial Position 2018/19 to 2022/23'.

- 2.3 South Hams District Council is currently forecasting a £0.8m budget gap (9%) by 2020/21 as shown below.

- 2.4 The cost pressures, savings and additional income already identified for 2018/19 are shown in Appendix A. It is to be noted that this is the best estimate of the financial position at the current time and new items could arise and the report will be updated.
- 2.5 For example the current financial modelling budgets for an increase in the pay award of 1%. However if that figure were to increase, it would increase the cost pressures by £90,000 for each 1% above the 1% already budgeted for.

3 MEMBERS' BUDGET WORKSHOP

- 3.1 A Members' Budget Workshop was held on 28th September and the results of the Member survey are shown in Exempt Appendix E.
- 3.2 Members considered budget options that fell into the following categories such as:-
- i) further income generation
 - ii) external contracts
 - iii) Reductions in service levels
 - iv) financing options
- 3.3 The results of the Member Survey are due to be considered by the Overview and Scrutiny Panel on 12th October 2017. It is recommended that the Executive considers the minutes from the meeting of the Overview and Scrutiny Panel on 12th October which considered this item.

3.4 **One-off Use of Unearmarked Reserves in 2018-19**

If Reserves were to be used to partially balance the budget in 2018-19, this only moves the budget shortfall (budget gap) back one year in terms of timing to address it. Unearmarked Reserves currently stand at £1.8 million and the minimum level of Unearmarked Reserves to be held is recommended to be £1.5 million.

A list of Unearmarked Reserves and Earmarked Reserves are shown in Appendix D. In Appendix C, it sets out the annual revenue contributions to Earmarked Reserves.

4. **BUDGET TIMETABLE**

4.1 The Budget Timetable is shown in Appendix F.
