1. Executive summary

The purpose of this report is to provide Members with the opportunity to scrutinise the work of the Community Safety Partnership (CSP) as defined by Sections 19 and 20 of the Police and Justice Act 2006 and the Crime and Disorder (Overview & Scrutiny) Regulations 2009.

The CSP continues to focus on the most vulnerable within our community in response to information provided by the Devon Strategic Assessment and any emerging threats or risks.

The CSP works collaboratively across Devon and the Peninsula to tackle issues such as child sexual exploitation, modern slavery, drug misuse, prejudice related crime, preventing violent extremism and domestic violence and abuse.

In 2016/7 the CSP received a £24,000 grant of Safer Communities funding from the PCC via the Safer Devon Partnership. This funding pays for specific projects, some of which are listed below.

Achievements in ASB

- We are in the process of preparing Public Spaces Protection Orders (PSPO's) to replace the current Alcohol Designation Orders. This has involved consultation with Police, Town and Parish Councils. In addition a further PSPO is being prepared to deal with the ongoing problem of 'Boy racers' in the Quay Car Park, Kingsbridge. This is after consultation with local residents effected by the 'Boy racers' and Kingsbridge Town Council. The PSPO's should be in place in January 2018.
- Following a meetings with Police, Kingsbridge Town Council and local residents concerning 'Boy racers' at the Quay Car Park in Kingsbridge a plan of action was devised. This included the Town Council upgrading their CCTV system in the car park. SHDC obtaining a PSPO to deal with the behaviour. Also the Police to identify those concerned with a view to starting the Community Protection Notice (CPN) escalation procedure. Four drivers have been identified and sent first stage warning letters. Two have subsequently been sent official CPN warning letters
- Following discussion with Totnes Police a new escalation process was devised to deal with people begging within the Town Centre. The new escalation process mirrored the ASB escalation process, however within the letters were a list of partners and agencies offering help and support. After the second letter the recipient would be warned that any further offence they would be arrested and a Criminal Behaviour Order sought. To date, three of the long term homeless are now engaging with SHDC Housing Team.
- Two ASB Injunctions have been obtained by Devon and Cornwall Housing in relation to ASB by their tenants. These were obtained after extensive multi-agency working. These injunctions both refer to the Dartmouth area.

4. Options available and consideration of risk

The CSP has adopted an intelligence led approach and is directed by the findings of the Peninsula Strategic Assessment. Each year a workshop is held including representatives from statutory partners to review the Strategic Assessment and agree the projects for the following year. Spend of budgets relates to those priorities agreed annually. Due to the nature of the work it is essential that responses are also made to emerging issues and threats.

5. Proposed Way Forward

The main considerations for members include –

- The Chief Constable of Devon and Cornwall Police has a mission statement to detect and prevent crime; protect the vulnerable and reduce crime. This creates a clear focus on safeguarding. This approach is mirrored in the priorities of the CSP.
- The CSP will continue to engage all statutory partners in the development of the Local Delivery Plan which sets out the work of the CSP directed by the Peninsula Strategic Assessment.
