DM.13/15 MINUTES

The minutes of the meeting of the Committee held on 1 July 2015 were confirmed as a correct record and signed by the Chairman subject to the addition of the following comment and amendment:

Minute DM.11/15 a) to be amended to include: 'Following the Ward Member presentation, the Chairman suspended the meeting and asked that the Ward Member leave the room with the Solicitor. After a few minutes, the Ward Member and Solicitor returned to the meeting.'

There was a further minor amendment required within Appendix A of the minutes, as application 30/1799/14/F: Plot to rear of Inglewood Cottages, Higher Contour Road, Kingswear was shown as 'Committee Decision: Conditional Approval' when in fact the Committee Decision was to 'attend a Site Inspection'.

DM.14/15 URGENT BUSINESS

The Chairman advised that application 57/2472/14/O – Outline application for mixed use development of approx. 198 no. dwellings, public open space, employment uses (including Health Centre), a neighbourhood centre and new roundabout on Exeter Road (access to be considered) – Land at SX 6483 5632, off Rutt Lane, Ivybridge, had been withdrawn from the agenda and would be presented at a later date.

DM.15/15 **DECLARATIONS OF INTEREST**

Members and officers were invited to declare any interests in the items of business to be considered and the following were made:

Cllrs I Bramble, R J Foss, J A Pearce, R Rowe and R C Steer declared a personal interest in application **30/1442/14/F**: Erection of a single two storey dwelling and separation of part of garden – The Anchorage, Redoubt Hill, Kingswear by virtue of the objector being known to Members of the Totnes Conservative constituency. The Members remained in the meeting and took part in the debate and vote thereon;

Cllr J A Pearce declared a personal interest in application **41/0703/15/F**: Demolition of existing structure and erection of new dwelling and raised parking area - Proposed development site to rear of The Hollies, Devon Road Salcombe by virtue of knowing the neighbour. DM.17/15 SITE INSPECTIONS

Applications referred for site inspection at the meeting held on 1 July 2015 would be considered later on the agenda (Minute DM.18/15 refers).

DM.18/15 PLANNING APPLICATIONS

The Planning Case Officers submitted details of the planning applications as presented in the agenda papers.

During discussion of the planning applications, the following motions (which were in contradiction to the planning officer recommendation in the published agenda report), were **PROPOSED** and **SECONDED** and on being put to the vote were either **CARRIED** or **LOST**:-

- a) In respect of application **48/1099/15/F**: Householder application for refurbishment of dwelling including single storey extension, new two storey link between main house and new extension and new landscape and patio to garden (resubmission of application 48/0409/15/F) – The Sail Loft, South Pool, Kingsbridge, the Case Officer introduced the application and advised that an additional condition was being recommended if the application were to be approved that related to the septic tank.

The background to the application was explained, and photographs were used to show the property and its position overlooking South Pool estuary. The Case Officer outlined the key areas of concern and the key issues of the application were discussed. The Case Officer recommendation was for conditional approval.

The local Ward Member noted that the Case Officer was in an interesting position as two different Conservation Officers had given conflicting views. However, he agreed with the comments as set out in the presented report and advised that the property would be clearly seen when approaching South Pool from the water. He added that the proposal would change the streetscene character which currently consisted of small cottages.

Other Members supported these views and noted that the proposed building would be significant in size.

It was then **PROPOSED** and **SECONDED** and on being put to the vote declared **CARRIED**:-

'That the application be refused'

Reasons:

- Detrimental affect on the Conservation Area
- The proposal was contrary to DP17 as the proposed extension was not considered to be subordinate to the existing property

- b) In respect of application **41/0703/15/F**: Demolition of existing structure and erection of new dwelling and raised parking area - Proposed development site to rear of The Hollies, Devon Road, Salcombe, the Case Officer introduced the application and explained that the application site was within the Salcombe Conservation Area. He outlined the application and used plans and photographs to explain the site and its history. The main issues were outlined in detail and the recommendation was for conditional approval.

The first local Ward Member reiterated the sensitive position of the application site and stated that, whilst not against some development, he felt that the current proposal was of inappropriate design and scale. The second local Ward Member reminded the Committee of the content of a letter of objection submitted in relation to this application. She added that whilst the NPPF included a statutory presumption in favour of sustainable development, it also gave protection to non designated heritage assets. This application did not include submission of a heritage statement and there were concerns expressed in relation to the loss of trees and habitat within the back garden. She concluded that in her view the report did not give sufficient weight to the extension of the car park area in addition to the new dwelling.

During discussion, some Members commented that building within a garden plot was preferable to building on agricultural land and such large gardens were no longer necessary, whilst other Members disagreed and highlighted the importance and sensitivity of the Conservation Area.

It was then **PROPOSED** and **SECONDED** and on being put to the vote declared **CARRIED**:-

‘That the application be refused’.

Reasons:

- The proposal would not preserve or enhance the Conservation Area
- The combination of new building, parking and storage would constitute overdevelopment of the garden
- Loss of undesignated heritage asset
- Subdivision of the plot

DM.19/15 **PLANNING APPEALS UPDATE**

The COP Lead for Development Management updated Members on the detail of the listed appeals.

DM.20/15 **TREE PRESERVATION ORDER REPORT**

The Committee received a presentation from the Landscape Officer in relation to TPO 916, 2015 that set out the background and supporting information.

Following an address by the objector and the local Town Council, the Members discussed the merits of the TPO. It was then **PROPOSED** and **SECONDED** and on being put to the vote declared **CARRIED**:-

That Tree Preservation Order 916 is not confirmed.

(Meeting commenced at 10.00 am and concluded at 6:00 pm)

APPENDIX A

35/0059/15/F**Mixed use development on land for erection B1 use building, 93 dwellings, roads, footways and strategic landscaping**

Parish or Town Council - Modbury

Parish Council's Views – Objection

Officer Update – Officer has received a formal response from the affordable housing officer who supports the application which helps the delivery of the much needed affordable housing. The Council has over 950 households registered on the waiting list – Devon Home Choice – of which 26 are in Modbury. In addition, a separate waiting list for intermediate housing is held by Homes to buy SW, which has 298 households registered for intermediate housing linked to Modbury. Happy with the 30% offer on a mixed use site and the mix and tenure of 70% affordable rent and 30% intermediate was subject to negotiations at a pre-application stage.

Devon County Highways – accepts the principle of development and, subject to conditions which ensure the delivery of the safe access to the proposals, has no objections.

The requested conditions are covered by conditions 4, 5, 7, 9, 12, 24 and 25.

Two typos – condition 11 on page 41 should read 'removal of PD rights' and at the top of page 60, the RA1 allocation was for a total of 1.0ha of employment land

A further letter of representation was reported.

Recommendation – Conditional Approval subject to the Section 106 Agreement, the conditions in the report and the following additional conditions:

1. Details of the southern roadside boundary, including details of the retaining structures and landscaping to be submitted and approved by the LPA
2. A revision to condition 7, splitting it into two conditions one being the submission of details of all of the proposed on-site highway works and the completion for approval by the LPA and the completion in accordance with the approved details and a similar condition regarding the proposed off-site highway works.
3. The restriction of access points from the site to the existing car parking area to the east of the site

And the revision of condition 25 in the officer report to read as follows:

No development to commence until a scheme has been provided to and approved in writing by the LPA setting out the details of a footpath to be provided from the development to the public highway at Palm Cross to the east of the site. The details shall include the line of the path construction details and an improved visibility splay to the north for pedestrians and the timing of the works and the method of ensuring that the path is available in perpetuity.

The footpath must be installed to adoptable standard in accordance with the approved details prior to the occupation of any of the dwellings hereby approved or the occupation of the employment building.

A further condition was also agreed by the Committee to require the submission of details of the proposed chimneys to and approved by the LPA.

In addition the Committee agreed a revision to the proposed Condition 1 relating to the commencement of the development giving 18 months for the commencement of the development and an additional clause in the Section 106 Agreement to include a provision to seek a 20mph speed limit on the area around the proposed shared surface.
