DM.36/15 **PLANNING APPLICATIONS**

The Planning Case Officers submitted details of the planning applications as presented in the agenda papers.

During discussion of the planning applications, the following motions (which were in contradiction to the planning officer recommendation in the published agenda report), were **PROPOSED** and **SECONDED** and on being put to the vote were either **CARRIED** or **LOST**:-

- a) In respect of application **37/2548/14/O**: Outline application (with some matters reserved) for mixed use development of 70 dwellings, allotments, community facility, recreation and employment land – SX 5670 4944, West of Collaton Park, Newton Ferrers, the Case Officer began by reminding Members that this application had been deferred from the previous meeting (23 September, 2015, minute DM.31/15 refers) to enable further information and clarification. The Case Officer introduced his updated report and advised Members of the key issues for consideration. He outlined the reasons for recommending refusal of the application.

The Lead Specialist Place and Strategy advised Members that the proposal was policy compliant as it was offering 50% affordable housing. The Case Officer added that some weight should be given to the position in respect of the five year land supply and the housing needs survey.

During discussion, Members were advised that, if minded to approve the proposals, an additional condition for Reserved Matters application to be received within 18 months was suggested, and it was confirmed that the s106 would be drawn up on the basis of 50% affordable housing provision. Any change to that prior to signing would require Committee approval. It was confirmed that the affordable houses would remain affordable in perpetuity as the landowner intended to manage them. Clarification was sought on the elements to be included in the application and at what stage they would be built out.

Both Ward Members, whilst recognising the local objections to the application, spoke in favour of the proposal. A number of Members thought the proposal offered a generous opportunity for affordable homes and associated elements.

It was then **PROPOSED, SECONDED** and on being put to the vote declared **CARRIED**:

‘That application 37/2548/14/O be conditionally approved’

Reasons:

Whilst paragraph 115 of the NPPF requires great weight to be given to conserving landscape and scenic beauty in National Parks, the Broads and Areas of Outstanding Natural Beauty, it was the consideration of Committee that the provisions of paragraph 116 are met in the respect

that exceptional circumstances exist to justify development in the AONB, and development is considered to be in the public interest. Specifically, need is demonstrated by the 2008 Parish Housing Needs Survey and the absence of a five year housing land supply; that no other site is available in the Parish to meet the need; that the quality of development is of a very high standard; that the site is previously developed land; and the impact on the landscape and biodiversity would be limited. With respect to the latter point, appropriate parameters and design standards would be secured through a s106 Agreement and conditions.

Conditions as detailed in Appendix A.

- b) In respect of application **14/1687/15/VAR**: Variation of condition 6 (Traffic Management Plan) and removal of condition 7 (Closure of Access) of planning consent 14/3161/14/F – Stables, Lownard Mill, Dartington, the following motion was **PROPOSED, SECONDED** and on being put to the vote declared **CARRIED**:

‘That a site inspection be held’

DM.37/15 **PLANNING APPEALS UPDATE**

The COP Lead Specialist Planning advised Members of updates relating to the presented list of appeals and she and the Solicitor responded to questions.

(Meeting commenced at 12 noon and concluded at 4:00 pm)

Officer Update- The DM Specialist provided a verbal update and reminder with respect to the key issues as outlined below:

Affordable Housing

The AH Offer meets policy requirements and Officers are satisfied that appropriate scope and detail can be secured in a s106 Agreement.

Need

That, with respect to the tests of paragraph 116 of the National Planning Policy Framework (NPPF), some need exists, but this did not amount, in the opinion of the DM Specialist, to exceptional circumstances.

Alternative Sites Assessment

That, with respect to the tests of paragraph 116 of the NPPF, if the quantum of development were justified that the site represented the best opportunity to meet that need at this time.

Environmental impact

That, with respect to the tests of paragraph 116 of the NPPF, environmental impacts are acceptable and that the high quality of design and biodiversity enhancements contributed to a degree to establishing exceptional circumstances.
