## 1. BACKGROUND

1.1 Members will be aware that the position of Electoral Registration Officer and Returning Officer is currently within the remit of the Chief Executive. These roles are undertaken on a shared basis across both Councils.
1.2 It is both a statutory and constitutional requirement for these positions, and the position of Deputy Electoral Registration Officer, to be appointed by full Council.
1.3 The main duties of the Electoral Registration Officer include the creation and maintenance of the registers of Electors. The statutory involvement of the post includes the provision of registers and absent voter lists for each polling station, as well as to candidates at the election and to the Returning Officer.
1.4 It is the duty of the Returning Officer to organise and conduct elections. As the roles are closely linked, for consistency, it is usual for the Electoral Registration Officer and the Returning Officer roles to be held by the same person, particularly as for UK Parliamentary Elections, the Electoral Registration Officer appointed for the Council automatically becomes the Acting Returning Officer.

## 2. ISSUES FOR CONSIDERATION

2.1 As part of the recently introduced interim Executive Director model, Heads of Service have been keen to use this period as an opportunity to broaden their experience and raise their external profile. To achieve this objective, it is suggested that the two roles are allocated to a current Head of Service, as there is no requirement for the roles to be held by the Head of Paid Service. SMT have unanimously suggested that as the Head of Corporate Services currently has line management responsibility for election services at both Councils, that Jan Montague is best placed to take the roles.
2.2 There are, however, other options available to Members:
a) Appoint one of the Executive Directors to undertake the role for both authorities;
b) Appoint one of the Executive Directors to the role in South Hams, with the other Executive Director similarly appointed in West Devon.
c) Appoint the Head of Corporate Services to the role in one Council with one of the Executive Directors appointed to the role in the other Council.
2.3 The key demands on the Electoral Registration Officer and the Returning Officer, during the interim period pending Senior Management restructuring as part of T18, will be to manage the introduction of national changes in the electoral registration system and organise and conduct the European elections scheduled for 22 May 2014.

> 2.4 Clearly a shared service Returning Officer would not be physically present at both Counts. A decision would be taken at each election as to where the Returning Officer should be in attendance dependent upon the perceived level of risk that has to be managed. The Returning Officer would, of course, be supported by members of SMT to ensure appropriate cover at Counts. This mirrors the current arrangements as the Chief Executive acts in these roles on a shared basis.
2.5 Having considered the issues set out above, it is recommended that the roles are carried out by the Head of Corporate Services, Jan Montague.

## 3. LEGAL IMPLICATIONS

3.1 A Returning Officer is required for a number of different types of elections; principally those held under the Representation of the People Act 1983. The intention is that this appointment would cover all elections and referendums managed by the Council during the interim period pending restructuring of the management team.
3.2 The Monitoring Officer advises that as the office of Returning Officer is required to be filled for each Council, it is a necessity to regard the appointed person as separately holding the office for each Council, rather than the office being "shared", although practically there will be little difference.
3.3 There is a separate statutory role of Electoral Registration Officer. The responsibilities of the role are set out in the Electoral Administration Act 2006. Unlike the Returning Officer, who can appoint deputies at election time, it is a requirement that the Council appoints a Deputy Electoral Registration Officer. It is believed that this role should be undertaken by the Executive Director, Tracy Winser.

## 4. FINANCIAL IMPLICATIONS

4.1 The Returning Officer fees for external elections and referendums are set by regulations and are funded externally.

## 5. RISK MANAGEMENT

5.1 The Risk Management implications are shown at the end of this report in the Strategic Risks Template.
