**1. BACKGROUND**

- 1.1 In order to ensure that it manages and targets resources where they are most needed, the Council regularly reviews its corporate priorities to ensure that they are relevant to the local area. At the Council meeting in December 2010, Members approved four high level priorities for the authority and authorised the development of detailed delivery plans for each priority.

- 1.2 The high level priorities approved were:
- Community Life
  - Economy
  - Environment
  - Homes
- 1.3 The full delivery plans for each of these priorities were approved by Executive in July 2011. Annual updates for 2012-13 were produced for Community Life, Environment and Homes and approved in July 2012. The Economy plan was updated following a review of the Service and an update document covering the period 2012-14 was approved in October 2012.
- 1.4 Following a review changes to the Connect Partnership and delivery arrangements were approved in May 2013 and rather than a Connect Strategy and four separate delivery plans there is now one annual strategy update, which includes actions for each priority area.
- 1.5 The current Connect Strategy runs up until April 2015 and with a requirement to also produce a new Local Plan a review of the corporate planning framework was undertaken and in May this year Council approved the principle of 'Our Plan' as the Council's single, overarching strategic plan for South Hams. The plan will include planning policies and is currently being developed with the aim to submit those policies for examination by 1<sup>st</sup> April 2015 and adopt the non-planning policy areas of the plan from that date.

## **2 CONNECT STRATEGY UPDATE 2014-15**

- 2.1 The Connect Strategy update for 2014-15 is included at Appendix A.
- 2.2 As this is the final update of the plan and work is underway to develop "Our Plan" with officer capacity directed towards its development, a light touch approach has been adopted for the update, with a small number of actions centred on work with partners towards the delivery of key strategic goals and aspirations.

## **3. LEGAL IMPLICATIONS**

- 3.1 Council is responsible for approving the Connect Strategy as a key strategic document.
- 3.2 Localism Act 2011 - General Powers of Competence giving a local authority power to do anything that individuals of full legal capacity may do, giving authorities the power to take reasonable action they need 'for the benefit of the authority, its area or persons resident or present in its area'.
- 3.3 The Local Government Act 2000 gave the Council the power to work in partnership with others in the public, private and voluntary sectors to promote the economic, social and environmental wellbeing of the area.

#### 4. FINANCIAL IMPLICATIONS

- 4.1 The resource implications of the actions proposed are already incorporated into the Council's Budget. There are no further resource implications arising directly from the actions being proposed.

#### 5. RISK MANAGEMENT

- 5.1 The Risk Management implications are shown at the end of this report in the Strategic Risks Template.
