VARIATION

Do you want the proposed
variation to have effect as
soon as possible?

☒

Yes

☐

No

Do you want the proposed variation to have effect in relation to the
introduction of the late night levy?

☐

Yes

☒

No

You do not have to pay a fee if the only
purpose of the variation for which you are
applying is to avoid becoming liable to the
late night levy.

If your proposed variation
would mean that 5,000 or
more people are expected to
attend the premises at any
one time, state the number
expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

Our premises remains the same as under our current license.

We would like to extend the hours of live music and recorded music from 23.00 to 00.00 daily.

We would also like to extend the hours of live and recorded music to 01.00 on New Year's Eve/New Years Day.

This will include amplified and unamplified music.

We do not believe that this would have any adverse effect on the promotion of the licensing objectives as our licensed hours are until 00.00 and we adhere to all objectives. This change would allow us some flexibility to allow diners to enjoy music following their meal and would bring us in line with the other establishments in the area.

We are in the centre of Hope Cove, next door to a large St Austell pub and surrounded by holiday lets and a post office. I believe the only resident is the landlord of The Hope and Anchor pub Mr & Mrs Roberts who is a tenant of a St Austell Brewery owned apartment. The Hope and Anchor pub is next door to us and also offers live music. I therefore feel that this change would have no negative impact as us and the landlord of The Hope and Anchor are the only residents affected. We are licensed to serve alcohol until 00:00 with a 30 minute drink up time so the proposed variation would bring the entertainment in line. We cater for private parties etc so it would make sense to be able to offer entertainment within our licensed hours and put us on a fair playing field with the other businesses in close proximity.

State type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

We are not looking to increase our live music, we are looking to have the flexibility on days that we offer it and a small extension to the cut off time within our licensed hours.
For example we currently run a monthly open mic night on a Tuesday once a month but that potentially could need to be another night subject to musicians availability so we would want the potential to offer that flexibility on each evening.
If we stage music outside on our terrace it is likely to be acoustic but we would like the potential to offer live music outside during Hope Cove Weekend alongside the other businesses in the village.

State any seasonal variations for the performance of live music

For example (but not exclusively) where the activity will occur on additional days during the summer months.

Please see above.
