### **Summary of report:**

The purpose of this report is to inform Members of the results of the 2012/13 compliance review of the 2011 Code of Corporate Governance. The Code describes South Hams District Council's intention to discharge its responsibilities, and how the Code will be tested and monitored annually.

Overall responsibility for Governance rests with the Council, but monitoring of compliance with the Code will be carried out on its behalf by the S.151 Officer, Monitoring Officer and Chief Internal Auditor reporting annually to the Audit Committee.

The Accounts and Audit (Amendment) (England) Regulations require the Council to publish an Annual Governance Statement, which describes the Governance Framework and review of the effectiveness of the Code of Corporate Governance and System of Internal Control.

### **Financial implications:**

None: within existing budgets.

### **RECOMMENDATION**

**That the Committee note the findings of the 2012/13 Compliance Review of the Council's Code of Corporate Governance 2011, including the significant governance issues to be taken to the Annual Governance Statement.**

## 1. BACKGROUND

- 1.1 CIPFA (Chartered Institute of Public Finance and Accountancy)/SOLACE (Society of Local Authority Chief Executives) provided updated guidance on Corporate Governance in the 2007 document 'Delivering Good Governance in Local Government – Framework', which also introduced the Annual Governance Statement. This was the basis of the Council's 2008 version of the Code of Corporate Governance.
- 1.2 The document described governance as being about how local government bodies ensure that they are doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner. It comprises the systems and processes, culture and values, by which local government bodies are directed and controlled and through which they account to, engage with and where appropriate lead their communities. Minor updates took place in 2011.

### The Principles of Corporate Governance

- 1.3 In 2004, the Independent Commission for Good Governance in Public Services (set up by CIPFA and the Office for Public Management) published a set of common principles that it wants all public sector organisations to adopt as a standard.
- 1.4 Their report '*Good Governance Standard for Public Services*' sets out six core principles it says should underpin the governance arrangements of all bodies and which form the basis of the CIPFA/SOLACE guidance and the Council's 2008 Code of Corporate Governance:
  - Focusing on the purpose of the Council and on outcomes for the community and creating and implementing a vision for the local area;
  - Members and officers working together to achieve a common purpose with clearly defined functions and roles;
  - Promoting values for the Council and demonstrating the values of good governance through upholding high standards of conduct and behaviour;
  - Taking informed and transparent decisions which are subject to effective scrutiny and managing risk;
  - Developing the capacity and capability of Members and officers to be effective; and
  - Engaging with local people and other stakeholders to ensure robust public accountability.

## **The 2011 Code of Corporate Governance Replaced the 2008 Version**

- 1.5 The 2011 Code was adopted on behalf of the Council by the March 2011 Executive. As the 2008 version, it is structured with an Appendix for each of the six core principles.
- 1.6 Backing each of the six principles is a series of 'supporting principles', each of which in turn translates into a range of specific requirements of the Council under the Code.
- 1.7 The Council's 2011 Code of Corporate Governance reflects the model provided by the CIPFA/SOLACE *Application Note to Delivering Good Governance in Local Government: a Framework*: March 2010.
- 1.8 The only difference between the 2008 Code and the revised 2011 document is the requirement to reflect the CIPFA *Statement on the Role of the Chief Financial Officer in Public Service Organisations* – June 2009.
- 1.9 In 2012 CIPFA/SOLACE issued new guidance entitled 'Delivering Good Governance'. The document provided a revised suggested structure for the Annual Governance Statement, as well as a revised Code of Corporate Governance. The covering report suggests that there is a need for the Code to be updated to reflect the role of the head of internal audit. However, the template Code provided does not reflect the suggested changes, nor the above March 2010 update. The guidance makes it clear that it is not essential to use the template, but it was decided not to update the Council's 2011 Code of Corporate Governance until the guidance has been clarified.

## **Discharging Responsibilities under the Code Including Monitoring**

- 1.10 Overall responsibility for Governance rests with the Council.
- 1.11 However, direct responsibility for monitoring compliance will rest with the Section 151 Officer (S.151), the Monitoring Officer and Chief Internal Auditor. These officers are a group of individuals within the Council who have the appropriate knowledge, expertise and levels of seniority to consider the extent to which South Hams complies with the principles and elements of corporate governance set out in the framework.
- 1.12 Much of the work involves issues of legal and financial propriety and includes:
  - Identifying systems, processes and documentation that provide evidence of compliance e.g. the Constitution;
  - Identifying the individuals and committees responsible for monitoring and reviewing the systems, processes and documentation identified;

- Identifying issues that have not been addressed in the Council and consider how they should be addressed; and
- Identifying the individuals who would be responsible for undertaking any actions that are required.

1.13 The Code of Corporate Governance sets out the requirement for it to be monitored and tested for compliance on an annual basis.

1.14 It states that the subsequent report with an action plan for significant governance issues will be presented to the Audit Committee whose Terms of Reference include 'to consider the Council's arrangements for corporate governance and to ensure compliance with best practice and to receive and comment upon an annual review of the Council's Code of Corporate Governance'.

### **Results for the 2012/13 Review**

1.15 The Appendices A to F set out the 2011 Code of Corporate Governance and the compliance review results. In the left hand and central columns is the 2011 Code, and in the right hand column the actions that the Council is taking that satisfy its requirements. **Shaded bold blue print indicates a change compared with the 2011/12 review**, text not in bold means that arrangements have remained unchanged.

#### **1.16 The main changes during 2012/13 are the:**

- **New arrangements for the Standards function; and**
- **Code of Conduct**

1.17 At the end of each Appendix is a separate table noting any gaps in the governance arrangements for that Principle, which will be carried into the Annual Governance Statement 2012/13.

## **2. ANNUAL GOVERNANCE STATEMENT 2012/13**

2.1 The results of the annual review described above must be reflected in the Council's Annual Governance Statement (AGS) with the annual published accounts.

2.2 Appendices A to F demonstrate that for Principles 3, 4, 5 and 6 there are no issues to raise in relation to the governance arrangements.

2.3 However, the following matters may be taken to the Council's AGS as required under the guidance:

Issues for Principle 1: Focusing on the purpose of the Council and on outcomes for the community and creating and implementing a vision for the local area:

Compliance Review Findings for this Principle	Action Plan with Responsible Officer & Target Date
<i>The Data Quality Strategy was written in 2009 and, although much of it remains largely fit for purpose, it would benefit from an update.</i>	<i>The Council's Data Quality Strategy should be reviewed and updated and the appropriate approval sought for any revised document.</i>  <i>Business Development Manager</i> <i>30<sup>th</sup> September 2013</i>

Issues for Principle 2: Members and officers working together to achieve a common purpose with clearly defined functions and roles:

Compliance Review Findings for this Principle	Action Plan with Responsible Officer & Target Date
<i>The Monitoring Officer is in the process of reviewing an Overarching Agreement between the two Councils, which will also include responsibilities relating to contract liabilities e.g. costs incurred in relation to disputes by one of the two Councils only under a shared contract.</i>	<i>As planned, the Monitoring Officer should complete the review of an Overarching Agreement between the two Councils, which should also include responsibilities relating to potential contract liabilities.</i>  <i>Monitoring Officer</i> <i>30<sup>th</sup> September 2013</i>
<i>The Monitoring Officer is putting in place Onward Delegation documents, setting out those areas delegated by the Heads of Service to the relevant Middle Manager.</i>	<i>As planned, the Monitoring Officer should put in place Onward Delegation documents, setting out those areas delegated by the Heads of Service to the relevant Middle Manager.</i>  <i>Monitoring Officer</i> <i>30<sup>th</sup> September 2013</i>
<i>The Council's Partnership Framework, Policy and Guidance and reporting requirements would benefit from a review and update as a shared approach with West Devon Borough Council.</i>	<i>The Council's Director should consider which corporate resource is best placed to oversee the Council's Partnership Framework, Policy and Guidance.</i> <i>The identified officer should review the Council's Partnership Management Framework and ensure that the related Policy and Guidance is updated as a shared document with West Devon Borough Council.</i>  <i>Director (TW)</i> <i>31<sup>st</sup> December 2012</i>

2.4 The AGS itself is the subject of a separate report to the Audit Committee (June meeting) whose role is to review the Statement and supporting evidence provided and if satisfied recommend approval of the AGS to the Council.

### 3. PROGRESS on the 2011/12 ACTION PLAN

3.1 The results of the annual review for 2011/12 presented to the joint meeting of the Audit Committee and Standards Committee (April 2012) were reflected in the Council's Annual Governance Statement (AGS) with the annual published accounts.

3.2 The following table show the review findings from last year and the action taken against the action plan.

Principle 2: Members and officers working together to achieve a common purpose with clearly defined functions and roles:

Compliance Review Findings for this Principle	Progress on Action Plan to Date
The Council's Partnership Policy and Guidance and reporting requirements would benefit from a review and update as a shared approach with West Devon Borough Council.	Repeated 2012/13. Not completed because of the need to align the wider corporate responsibility for overseeing the Partnership Framework with West Devon.
The Council has entered into shared working arrangements with West Devon Borough and Teignbridge District Councils under which some officers' services are shared. These officers have Shared Service Operating Agreements by means of which their services are made available to the partner authorities as well as their employer. It is likely that some Operating Agreements will no longer be valid following the current senior management review.	The commitment to complete Fresh Operating Agreements with the new Heads of Service and Middle Managers appointed under the senior management and middle manager reviews was made by the previous Monitoring Officer. The current Monitoring Officer has commenced work in this area but has not finished due to other work demands.
The Financial Controls and Governance Arrangements for Shared Services are being reviewed as a project of the 2015 Transformation Programme. The project is being managed by the S.151 Officer, Monitoring Officer and Chief internal Auditor and tasks include: a) To consolidate the existing elements of the framework for the Governance of the Shared Services arrangements (both financial and legal): b) Recharging the salaries of Shared Service officers	The project has been completed and a Closure report accepted by the Joint Steering Group. Future development and improvement of the key processes and documents will continue as 'business as usual', which includes this annual review of the governance framework.  Implemented  Implemented, and subject to an annual internal audit for the foreseeable future.

Issues for Principle 3: Promoting values for the Council and demonstrating the values of good governance through upholding high standards of conduct and behaviour:

Compliance Review Findings for this Principle	Action Plan with Responsible Officer & Target Date
The Localism Act 2011 requires local authorities to adopt a code of conduct for their Members. There is no longer any prescription to what it should contain. The Authority may set its own rules about declaring interests but Members will be required to disclose 'dischargeable' pecuniary interest. Failure to disclose will be a criminal offence.	Implemented

Issues for Principle 4: Taking informed and transparent decisions which are subject to effective scrutiny and managing risk:

Compliance Review Findings for this Principle	Action Plan with Responsible Officer & Target Date
The Council's Risk Management Policy is in the course of being updated and aligned as a single document with West Devon Borough Council, with likely presentation to the April 2012 Audit Committees. Other improvements to the Risk Management	Implemented, but will be subject to an internal audit early in 2013/14.

Framework are being developed but these have yet to be finalised against the revised Strategy.

The December 2010 meeting of the Council approved four new high level priorities: Community Life, Economy, Environment and Homes. <b>These are to be reviewed in early 2013/14.</b></p> <p>The Council's vision and ambition was recommended in the report to the January 2011 Executive, 'Shared Services and Beyond', as well as the development of the Transformation Programme.</p> <p>The Leader presented a report to the March 2011 meeting of the Council recommending that the Shared Services and Beyond document be formally adopted and 'South Hams Voice' be developed as the means by which the Council increases engagement with the voluntary/community sector, business sector and the community at large.</p> <p>At the meeting of 12<sup>th</sup> July 2012, the Executive resolved that members reaffirm their ambitions to break new ground in the way that the Council engages with local people to deliver better services; have local communities that feel supported; be innovation and do more with less.</p> <p><b>Partnerships</b></p> <p>Article 11 of the Constitution allows the Council or the Executive to enter into joint arrangements with other bodies in order to promote the economic, social or environmental well-being of its area.</p> <p>The Executive approved the adoption of a Partnership Policy and Guidance document in October 2009, which contains Appendices to guide officers in considering the purpose of joining a partnership, risk management, governance arrangements, information sharing, monitoring and scrutiny .</p> <p><i>Connect Partnership</i></p> <p>On 14th July 2011, the Executive approved the Connect Strategy. This sets out the priorities for the period 2011-2015 and the four detailed Delivery Plans (Community Life, Economy, Environment and Homes) for each of the new priorities for that period.</p> <p>The Connect Strategy is produced by the South Hams and West Devon Connect Partnership, replacing the Local Strategic Partnerships, and brings together key stakeholders from the community, voluntary, business and public sectors.</p> <p>The Strategy links to plans of partner organisations and the Partnership's Governance arrangements include a Delivery Group comprising of the key stakeholders who monitor plans and report to a Connect Partnership Board etc. <b>A Connect Strategy 'Annual Update' was published in 2012/13 and is available on the Council's website.</b></p>

The Leader fields questions from Members with technical assistance by officers.</p> <p>Each Executive member periodically attends Council to update Members on the aims, challenges and future direction for their service area, <b>but this is likely to change in 2013/14.</b></p> <p>A booklet issued with Council Tax and NDR bills includes a statement that sets out some of the Council's achievements. It is a joint booklet with the other precepting authorities and sets out how council tax money will be spent by each of them.</p> <p>The Council's magazine, 'South Hams Connect' is jointly produced with Devon County Council, Fire and Rescue and NHS Devon and is sent to all households in the district. It contains some key performance results for each Priority and is available on the Council's web site (Issues Summer and Winter 2012). <b>The magazine included an invitation to the Community to comment on the Council's budget.</b></p> <p>It also contains details of the activities and functions linked to the Priorities including the Voluntary Voice, Business Voice, Town and Parish Voice and Community Voice. <b>In addition from March 2012 the community and other stakeholders can subscribe to e-Connect for news of services, events and other information.</b></p> <p>An annual report in the form of the full audited statement is available from the Head of Finance and Audit or on the Council's website. The full statement's availability is also advertised in the press. The website also includes a Financial Summary.</p> <p><b>Financial Statements</b></p> <p>The financial statements are certified by the S.151 Officer by 30th June and subsequently approved by the Audit Committee by 30th September as required by the Council's Constitution (Article 9 and Part 3 Delegation to Committees).</p> <p>They are produced in line with the requirements of the Chartered Institute of Public Finance and Accountancy (CIPFA) and published, including on the Council's website.</p> <p>The statements explain the Council's financial position and performance, annual activities and achievements.</p> <p>The Council's responsibilities for the effectiveness of the Council's system for risk management, internal control and corporate governance are published separately in an Annual Governance Statement that accompanies the financial statements.</p>

<p>b) Ensuring that users receive a high quality of service whether directly, or in partnership, or by commissioning.</p>	<ul style="list-style-type: none"> <li>Decide how the quality of service for users is to be measured and make sure that the information needed to review service quality effectively and regularly is available;</li> <li>Put in place effective arrangements to identify and deal with failure in service delivery.</li> </ul>	<p><b>Quality of Service and Data</b></p> <p>This Data Quality Assurance Strategy outlines the approach that is needed to maintain the highest possible standards, controls and validation throughout all the data processes. It clearly indicates the role each individual has to play in the production and analysis of data and recognises the need that data is accurate, reliable and timely in informing service provision and in supporting good decision-making. <i>The Strategy was written in 2009 and, although much of it remains fit for purpose, it would benefit from an update. Performance measures were reviewed for 2012/13 with new or revised indicators linked to drivers, goals and the service/Council priorities.</i></p> <p>The Council uses a suite of performance indicators that include measurement of the quality of service. A 'Balanced Scorecard' system of regular reporting of the key indicators to the Senior Management Team (SMT), and Members (Corporate Performance and Resources Scrutiny Panel).</p> <p>The basis of the indicators and the processes that produce them are subjected to audit by the Council's internal auditors with generally satisfactory results.</p> <p>Plans with service objectives and actions linked to the Council's Priorities are completed annually by all sections of the Council, including those with frontline community and customer responsibilities. The plans also consider any risks to meeting service objectives and how these may be mitigated.</p> <p>The Council is still working to the Customer First Charter which outlines the standards and level of service the Council aims to deliver. It pledges that 'The Council already strives to provide a good service to its customers but we want to do even better, and <i>Customer First</i> will help us to do exactly that'. <i>The Charter is being updated and re-launched as part of the Customer First 2015 Project.</i></p> <p>Consultations and customer surveys are regularly issued either corporately or by individual services and are discussed further at Principle 6 (Appendix F).</p> <p><b>Failure in Service Delivery</b></p> <p>Arrangements to identify and deal with failure in service delivery are in place for problems of all sizes e.g. Members and senior managers monitor response to any large scale issues that may arise.</p> <p>As well as the normal 'Contact Us' information, the Council's website includes a Comments and Complaints page which outlines the procedure for making a complaint, suggestions, and how to contact the Local Government Ombudsman.</p> <p>A procedure for dealing with complaints is included within the Complaints Policy, which was updated in December 2011 linked to the introduction of new internal complaint management software.</p>

The letter referred to the Annual Governance Report and confirmed the conclusion that the Council made proper arrangements to secure economy, efficiency and effectiveness in the use of resources. The letters and reports are made available on the Council's website.</p> <p>The Council is a member of the Sparsity Partnership for Authorities delivering Rural Services (SPARSE) a grouping of the most rural local authorities in England. SPARSE provides service managers with comparative analysis reports based on audited data. An electronic performance management and information system (Covalent) is in use. All managers are required to record their performance indicators (PIs) and this is the basis of the 'Balanced Scorecard' reports described earlier.</p> <p>The Covalent system is also used to identify and manage risks, actions to improve performance, recording controls to mitigate risks and the deployment of resources. It provides managers with the opportunity to compare performance with other Devon Council's, as well as flagging up whether data has met or missed its target or due date.</p> <p><b>Financial Advice</b></p> <p>Financial information and advice is provided to all managers. Budget holders have access to the Council's general ledger and are supported with advice by a nominated accountant.</p> <p>A system of consultation ensures that reports to decision makers contain accurate information.</p>

Its purpose is 'to ensure the good governance of the Council in the public interest'. It aims to enable the Council to provide clear leadership to the community in partnership with citizens, businesses and other organisations, and support the active involvement of citizens in the process of decision-making (Article 1).                      Article 2 describes the role of all Councillors, Article 4 the Full Council, Article 7 describes the role of the Executive and Article 6 that of Overview and Scrutiny.                      Article 12 outlines the functions and areas of responsibility of senior officers, including the Chief Executive (as Head of Paid Service), Directors, Heads of Service and the statutory officers (Section 151 and Monitoring Officers).                      It states that the Council may engage such staff (referred to as officers) as it considers necessary to carry out its functions.                      The Constitution is available on the Council's web-site. The roles and responsibilities are subject to regular review by the Council and the Constitution itself is monitored and evaluated annually as set out in Article 15.                      Members of the Executive, Scrutiny and the Leader and Chairman of the Council have 'job descriptions' that describe their roles.  <b>Status of the Chief Financial Officer (CFO)</b>                      Part 7 of the Constitution, Management Structure, demonstrates that the CFO reports directly to the Chief Executive and is a member of the Senior Management Team with a status equivalent to other members.                      The Management Structure changed during 2011/12 to a shared management team with West Devon Borough Council and the Constitution amended accordingly.</p>

It includes the Principles of Delegation, the list of powers reserved for the Council and Delegations to the Executive, Committees and other Council bodies. Subject to those matters which are reserved for Committee all Senior Officers shall be responsible and shall have delegated authority for the day to day operation and management of the Services and land for which they are responsible. These officers have Shared Service Operating Agreements by means of which their services are made available to the partner authorities (under S.113 of the Local Government Act 1972) as well as their employer. <b>However, the Monitoring Officer is in the process of reviewing an Overarching Agreement between the two Councils, which will also include responsibilities relating to contract liabilities e.g. costs incurred in relation to disputes by one of the two Councils only under a shared contract.</b></p> <p>They are formally empowered to act by means of a resolution of each Council because it is essential that there is no doubt that they have proper authority, particularly (for example) where formal notices or permissions are issued or contracts signed.</p> <p>Article 15 of the Constitution (Review and Revision of the Constitution) makes the Monitoring Officer responsible for maintaining an up to date Constitution. Changes require the approval of the full Council.</p> <p>South Hams District Council's Audit Committee April 2013 recommended approval of the Constitution, as part of the Monitoring Officers annual review. This included the delegations to member bodies and officers covering the Council's Functions and Responsibilities (Part 3).</p> <p><b>The Monitoring Officer is putting in place Onward Delegation documents, setting out those areas delegated by the Heads of Service to the relevant Middle Manager.</b></p> <p><b>Leader and Chief Executive</b></p> <p>Article 12 outlines the functions and areas of responsibility of senior officers, including the Chief Executive (and Head of Paid Service), Directors and Heads of Service. These responsibilities are reflected in the related job descriptions and specifications for both Members and officers.</p> <p>The Leader's role is to provide overall political leadership and direction to the Council and the Executive. Part 3 of the Constitution, 'Responsibility for Functions' details the responsibilities of Member bodies, including the Executive. The Leader's responsibilities are detailed in the related job description and specification. The Council has adopted the Strong Leader Model, the Leader having been appointed for a four year term rather than the previous annual renewal.</p> <p>Article 12 of the Constitution outlines the Chief Executive's functions and responsibilities, which are further detailed in the related job description, specification and signed secondment agreement with West Devon Borough Council ('shared' post).</p>

However, there is no written policy in place to ensure that it is carried out and there are no recorded minutes of the meetings. This is the continuation of historical practice. <b>A Corporate Director also attends on a fortnightly basis.</b></p> <p><b>Chief Financial Officer (CFO)</b></p> <p>Part 7 of the Constitution, Management Structure, provides for the CFO to have direct access to the CEO and other management team leaders.</p> <p>Article 12 of the Constitution also sets out the functions of the statutory officers, the S.151 Officer. This Article requires the S.151 Officer to ensure the lawfulness and financial prudence of decision making with the Head of Paid Service and Monitoring Officer, administer financial affairs, and contribute to corporate management.</p> <p>Part 3 of the Constitution, the Delegation Scheme to Officers, also reflects the S.151 Officers delegated authority for all statutory provisions of the Local Government and Finance Acts and matters set out in the Financial Procedure Rules. This includes the publication of the Council's audited annual Statement of Accounts and the budget for the coming year.</p> <p>The Constitution states that the Council will appoint a 'S.151 Officer'. S.113 of the Local Government Finance Act 1988 requires the S.151 Officer to hold a recognised professional qualification. The S.151 Officer is a qualified accountant and member of the Chartered Institute of Accountants in England and Wales.</p> <p>The S.151 Officer will have responsibility for the administration of the financial affairs of the Council; will contribute to the corporate management of the Council, in particular through the provision of professional financial advice; will provide advice on the scope of powers and authority to take decisions, maladministration, financial impropriety, probity, and budget and policy framework issues to all Members and will support and advise Members and officers in their respective roles; and, will provide financial information to the media, Members of the public and the community. (Article 12)</p> <p>The CFO leads the promotion of good financial management including through the provision and publication of Financial and Contract Procedure Rules which are recommended for approval to the Council by the Audit Committee and are included in Part 4 of the Constitution. A self assessment of the Role of the Chief Financial Officer highlighted the potential for a conflict of interest as the S.151 Officer is also the S.151 at West Devon Borough Council. This risk is mitigated by formally appointed Deputy S.151 Officers who are dedicated to each Council (not shared).</p>

In Part 4 of the Constitution the Council's 'Access to Information Procedure Rules' sets out the public's rights in addition to those specific rights elsewhere in the Constitution or in law. Principle 4 of this Code describes the Council's arrangements for taking informed and transparent decisions. <b>The Council has approved an updated Communications Policy, 2012 – 2015.</b> The Constitution commits the Council to openness in its dealings (e.g. Article 13 – Decision Making, Article 3 – Citizens and the Council), as does the Council's Policy on the Human Rights Act 1998. The Council has embraced the requirements of the Freedom of Information Act, introduced from 1st January 2005, and has complied with the requests received to date, except where otherwise bound by legislation. Guidance and a 'Publication Scheme' are available on the Council's web-site. The Council has a published Information Access Policy. This addresses the Council's wish to promote public understanding of the Council's activities, starting from the premise that everyone is entitled to have access to information held by the Council. The Chief Executive and the Leader communicate with all staff either through e mail or newsletters. Weekly news bulletins are sent by e-mail to all staff and members concerning specific issues that need communicating including from the Chief Executive, Senior Management Team or other managers.</p>

The Management and Trade Union Forum meets to discuss, be consulted on and negotiate on all and any amendments to terms and conditions of service.</p> <p><b>Consulting Staff</b> The Joint Staff Consultative Forum (JSCF) was established to undertake a consultative role where ideas, issues, drafts of new policies, organisational changes and legitimate employer / employee matters can be discussed cordially. The forum is also important as a means of effective two way communication and promoting good employee relations. The JSCF has a constitution published, setting out membership representation, frequency and recording of meetings, the role of representatives etc. The role of the Forum and its constitution is to promote effective and open channels of communications within each service group. The JSCF minutes are available to all staff on the Council's Intranet. Staff Voice has been developed, with well publicised briefings to all staff on current issues. Other ad-hoc consultation with staff is undertaken when key changes are proposed. The Chief Executive sends emails to all staff on specific topics and contributes to the weekly newsletter which is an email briefing on a range of issues. The Chief Executive, Directors, and Heads of Service will attend team meetings as required or upon request, allowing two way communications of issues.</p>
