REPORT

To the Salcombe Harbour Board.

As the independent designated person appointed by the Salcombe Harbour Board, we report on the Safety Management System, Issue 10, dated 27th November 2012 and we have reviewed compliance during the past year.

A few revisions are necessary and we drawn up Issue 11, dated 2nd December 2013, recording compliance with the Port Marine Safety Code and listing the topics in hand for continuous improvement.

In our opinion there is in place a safety management system which - if maintained actively - complies with the requirements of the Port Marine Safety Code and enables the Salcombe Harbour Board to set out their safety policies, their organisation which can put them into practice and their procedures for a planned and systematic approach to policy implementation.
