Dear Sir

In accordance with your document, Harbour Directions Guidance dated November 2013, I would like to register an expression of interest on behalf of Salcombe Harbour Authority to be considered to be designated with the powers to make Harbour Directions.

The Harbour Board agreed to follow this C course of action on 3 February 2014. The Board are now consulting with the Harbour Community Forums with the aim of constituting a Port User Group.

The full e-application will be forwarded to your office by 30 June 2014.

If any further information is required please let me know.

Yours faithfully

Ian Gibson
Harbour Master
