1. BACKGROUND

- 1.1 The current set of indicators came from a review of all performance indicators, which was undertaken by a Task and Finish Group in 2011/12. Since then changes have been made by both Members and Officers to ensure that the indicators are meaningful and useful.

2. ISSUES FOR CONSIDERATION

- 2.1 Appendix A contains the Balanced Scorecard Report to display the high level performance information.
- 2.2 Appendix B relates to data only performance indicators and is the background report that contains the information that sits behind the Balanced Scorecard for context.
- 2.3 The exception report towards the end of appendix B shows all indicators currently 'Red' and also the performance status for the last quarter along with the management response to explain the current level of performance.
- 2.4 There are four indicators that are 10% or more below target with the **first one at red status for two consecutive quarters, therefore requiring a minuted response of the action required:**
- **Number of Major Applications determined within the statutory time frame**
 - Number of Minor Applications determined within the statutory time frame
 - Number of other Applications determined within the statutory time frame
 - Car Parking season tickets sold (yearly comparison)
- 2.5 To assist Members with actions that may be required to address performance of the above, Appendix C provides a list of suggested responses. This list is not exhaustive and merely provides examples for reference.
- 2.6 As requested by Members, Appendix D shows the Balanced Scorecard for the same period at South Hams.
