

CSP report

Appendix 1

The following projects are examples of those delivered across the South Devon & Dartmoor Community Safety Partnership.

Local Delivery Plan

This is produced by the CSP each year. This year there are more than 60 projects detailed. The delivery of the plan is monitored at each CSP meeting and supports the CSP priorities.

Police tasking – CSP staff continue to attend fortnightly tasking processes to enable effective sharing of information and targeting of resources. They are also involved in more local level sector meetings with Police to monitor crime performance and work in partnership to resolve any emerging issues.

The Honest Truth (THT) – THT started as a project in the CSP delivery plan which was allocated £750 of funding. It has now been registered as a National Charitable Incorporated Organisation (CIO). Its aim is to reduce the number of young people killed or seriously injured on our roads and also to reduce anti-social driving. The project is being delivered in 15 counties of the UK and has interest from many others. THT gets driving instructors to pass messages onto their students about safer driving and now has more than 1,500 driving instructors signed up to work for the charity. There is commercial interest in the project with requests for packages specifically for fleet. The RAF are interested in working with THT to raise awareness of road safety issues. A song has been produced to get the message across to even younger drivers. The CIO is going from strength to strength and is now seeking considerable funding.

Prevent - The CSP works with partners to help deliver the statutory duty introduced in the Counter Terrorism and Security Act 2015 to have due regard to the need to prevent people from being drawn into terrorism. Each Council in Devon has appointed a Prevent special point of contact (SPOC). Rebecca Hewitt is the Prevent SPOC for West Devon.

Targeted Families Support - TFS is a Government programme aimed at improving outcomes for families that have been identified as having complex needs.

Devon County Council is leading the programme for Devon. Phase 1 of the programme which concluded in April 2015 aimed to:

- Get children back in the classroom
- Get parents into work
- Reduce youth crime and anti-social behaviour
- Reduce public costs associated with these families

The programme was dependent on good quality multi-agency working and built around the concept of the opportunity to innovate and do something different. CSP staff were involved on the Management Groups for the localities and at an operational level.

South Hams achieved 'turnaround' status with 102 families which was 106% of their target, West Devon was 82 families with 139% of their families and Teignbridge achieved 'turnaround' status with 247 families, which equated to 118% of the cohort of families. This is a remarkable total of **431** families across South Devon and Dartmoor CSP area.

Bite size training - The CSP has focussed on raising awareness of operational staff in partner agencies on a number of key issues. 6 Bite-size Domestic Abuse awareness raising workshops were held across the CSP area, 3 Alcohol Awareness raising workshops, 6 Mental Health training sessions have been delivered and 2 ASB sessions. A total of **17** sessions were delivered.

Domestic Violence and Abuse Awareness Raising - 140 letters have been sent to holiday parks across South Devon raising awareness of Domestic violence, promoting the Devon Domestic Abuse Services and raising awareness of Child Sexual Exploitation. Over 400 letters with supporting information was sent to community halls, Doctors, Dentists, Hairdressers and vets.
