

AGENDA ITEM 5:

BUSINESS BROUGHT FORWARD BY THE CHAIRMAN:

- To be considered at agenda item 9h – Reports of Bodies Audit Committee 9 December 2021
 - **A.22/21 EXTERNAL AUDITOR APPOINTMENT**

RESOLVED

That the Audit Committee **RECOMMENDED** to Council that South Hams District Council opts into the national arrangement for the procurement and appointment of external auditors, through Public Sector Audit Appointments (PSAA), by 11 March 2022.

- To be considered at agenda item 12 –Notice of Motion:
 - **c) From Cllr Hodgson and Cllr Rose**

'In preparation for the forthcoming review of the Joint Local Plan, this Council will invite Parish Council's to propose potential hamlets and similar locations for new Conservation Area Assessments to ensure the future protection of some special heritage and historic locations in the district that are currently vulnerable to inappropriate new development.'

- **d) From Cllr Hodgson and Cllr Rose**

'In light of the current difficulties with the collection of green waste and the likelihood that this will remain a problem for some areas of the district, and in the spirit of COP 26 to reduce the carbon footprint of waste recycling, this Council will encourage and support community composting initiatives that are supported by parish councils in the South Hams.'
