**Recommendations:**

**It is recommended that:**

The progress made against the 2022/23 internal audit plan, and any key issues arising are noted and approved.

**1. Executive summary**

The purpose of this report is to inform members of the principal activities and findings of the Council's Internal Audit team.

**2. Background**

The Audit Committee, under its Terms of Reference contained in West Devon Borough Council's Constitution, is required to monitor and review the internal audit programme and findings, and the associated progress and performance of Internal Audit.

The Accounts and Audit (Amendment) (England) Regulations 2015 require that all Authorities need to carry out an annual review of the effectiveness of their internal audit system and need to incorporate the results of that review into their Annual Governance Statement (AGS), published with the annual Statement of Accounts.

The purpose and role of Internal Audit, and of the related Council responsibilities is also contained in the Internal Audit Charter and Strategy.

### 3. Outcomes/outputs

Members will note the assurances provided on the audits areas and seek management assurance that identified weaknesses are being addressed.

### 4. Options available and consideration of risk

No alternative operation has been considered as the function of internal audit is a requirement of Corporate Governance.

### 5. Proposed Way Forward

That Audit Committee notes the results of Internal Audit work (Appendix A) undertaken during the period.

### 6. Implications
